

## **Part III**

### **SECTION 7**

#### **Sources of further information**

##### **Overview**

*This section gives pointers to various sources of information that can be used when undertaking HIA.*

##### **7.1 Websites**

- 7.1.1 *Impact assessment*
- 7.1.2 *HIA as part of Environmental Impact Assessment*
- 7.1.3 *Health impact assessment*
- 7.1.4 *Routine data sets*
- 7.1.5 *Routine data for the investigation of health inequalities*
- 7.1.6 *Environmental health indicators*
- 7.1.7 *Other useful UK Government websites*

##### **7.2 Bibliography**

- 7.2.1 *General overview*
- 7.2.2 *Health and Environmental Impact Assessment*
- 7.2.3 *Health impact assessment methodology*
- 7.2.4 *Policy appraisal*
- 7.2.5 *Reviews of health impact assessment*
  - 7.2.5.1 *Literature reviews*
  - 7.2.5.2 *Systematic reviews*
- 7.2.6 *Piloting health impact assessment*
- 7.2.7 *Commissioning health impact assessment*
- 7.2.8 *Health impact assessment survey*
- 7.2.9 *Individual health impact assessments*
- 7.2.10 *Resource requirements for health impact assessments*
- 7.2.11 *Evidence-base of impacts on health*
- 7.2.12 *HIA Toolkits*

##### **7.3 Register of HIAs**

##### **7.4 London-specific resources**

---

## 7.1 Websites

### 7.1.1 Impact assessment

#### **International Association for Impact Assessment (IAIA)**

[www.iaia.org/](http://www.iaia.org/)

The IAIA brings together researchers, practitioners and users of various types of impact assessment from around the world. Members include corporate planners and managers, public interest advocates, government planners and administrators, private consultants and policy analysts, and university and college teachers and students. Most of the information relates to EIA. There is a health e-mail discussion group for IAIA members.

### 7.1.2 HIA as part of Environmental Impact Assessment

#### **New Zealand Guide to Health Impact Assessment:**

[www.moh.govt.nz](http://www.moh.govt.nz)

Follow links to publications area

### 7.1.3 Health impact assessment

#### **Committee on the Medical Effects of Air Pollutants (COMEAP) Website:**

[www.doh.gov.uk/comeap](http://www.doh.gov.uk/comeap)

Contains “Good Practice Guidelines for Investigating the Health Impact of Local Industrial Emissions” to assist health authority public health departments and also local authority environmental health officers and staff of the Environment Agency.

#### **Our Healthier Nation Website:**

[www.ohn.gov.uk/ohn/making/impact.htm](http://www.ohn.gov.uk/ohn/making/impact.htm)

Contains an HIA section, with UK government-related initiatives in HIA and links to HIA-relevant websites.

#### **Scottish Needs Assessment Programme:**

[www.gla.ac.uk/Inter/OPHIS/Index.htm](http://www.gla.ac.uk/Inter/OPHIS/Index.htm)

Click on SNAP, then on SNAP News. Contains reports on HIA:

*Health Impact Assessment: Piloting the Process in Scotland*

*Health Impact Assessment of the City of Edinburgh Council's Urban Transport Policy*

*Health Impact Assessment of the North Edinburgh Area Renewal (NEAR) Housing Strategy*

All three reports are in pdf format and are downloadable free of charge, but do require an Adobe Acrobat Viewer to do so.

#### **London's Health Website:**

[www.londonhealth.gov.uk](http://www.londonhealth.gov.uk)

Contains this resource, namely ‘A Resource for HIA’, as well as ‘A Short Guide to HIA’ and other HIA-related information

#### **University of Liverpool Website:**

[www.liv.ac.uk/~mh/b/index.htm](http://www.liv.ac.uk/~mh/b/index.htm)

Contains useful links to HIA sites.

#### **European Centre for Health Policy:**

[www.who.dk/hs/ECHP/index.htm](http://www.who.dk/hs/ECHP/index.htm)

Follow links to HIA. Contains “The Gothenburg Consensus Paper” and a paper on the Health Impact of Integrating in the European Union.

#### **Health Canada Website:**

[www.hc-sc.gc.ca/hppb/healthpromotiondevelopment/pube/impact/impact.htm](http://www.hc-sc.gc.ca/hppb/healthpromotiondevelopment/pube/impact/impact.htm)

**The Canadian Handbook on Health Impact Assessment:**

3 volumes (English language version), see:

[www.hc-sc.gc.ca/oeha/](http://www.hc-sc.gc.ca/oeha/)

Under heading “EHIA Publications and Reports”, click on HIA Handbook.

**Ontario Medical Association (OMA) Website:**

[www.oma.org/](http://www.oma.org/)

Click on "Illness Cost of Air Pollution". Contains a Summary of Findings of the Illness Costs of Air Pollution in Ontario, and a free interactive software program that enables the user to calculate the increased future costs of air pollution, in the absence of no action, and how reduction in air pollution would save lives and money. Costs are estimated in terms of hospital admissions, emergency room visits, absenteeism from work, and the pain and suffering and loss of life as a result of polluted air. The minimum hardware requirements needed to use this software are a fast Pentium computer (300 mhz or faster), 50 megs hard drive space, 64 megs RAM, and Windows 95/98/2000 or NT operating system. NB: This program will **not** fit onto a floppy disk. A manual is included with the program setup file. Instructions to download, install, and run this program are given on the Website, as are details about technical support.

**The Federation of Swedish County Councils Website:**

[www.lf.se/hkb/engelskversion/enghkb.htm](http://www.lf.se/hkb/engelskversion/enghkb.htm)

### **7.1.4 Routine data sets (Thanks to Dr Anna Hansell)**

Some of these routine data sets are downloadable; some of the downloadable documents require an Adobe Acrobat reader plug-in. This can be downloaded free from:

[www.adobe.com/products/acrobat/readermain.html](http://www.adobe.com/products/acrobat/readermain.html)

It can be installed following simple on-screen instructions.

#### **The Data Archive at Essex University:**

[www.data-archive.ac.uk/](http://www.data-archive.ac.uk/)

Data sets for national surveys, e.g. Health Survey for England, General Household Survey

#### **Department for Education & Employment:**

[www.dfes.gov.uk/perform.htm](http://www.dfes.gov.uk/perform.htm)

School performance and truancy statistics

#### **DETR99 (Department of the Environment, Transport and the Regions Index of Local Deprivation):**

[index99.apsoc.ox.ac.uk](http://index99.apsoc.ox.ac.uk)

Home page of the 1999 Review of the Index of Deprivation containing the background to Indexes of Deprivation and brief details of the review project.

[www.regeneration.detr.gov.uk/rs/03100/index.htm](http://www.regeneration.detr.gov.uk/rs/03100/index.htm)

Contains Indices of Deprivation 2000 (ID2000), published in August 2000, which are measures of deprivation for every ward and local authority area in England.

#### **Department of Health:**

[www.doh.gov.uk](http://www.doh.gov.uk)

Summary statistics on drug misuse.

[www.doh.gov.uk/public/hpssspub.htm#/public health](http://www.doh.gov.uk/public/hpssspub.htm#/public%20health)

(note the space in the URL above between 'public' and 'health' is correct)

Statistics by health authority in Excel format covering screening and immunisation, the Health Survey for England 1994-6.

[www.doh.gov.uk/pub/docs/doh/smoking.pdf](http://www.doh.gov.uk/pub/docs/doh/smoking.pdf)

Information on smoking from 1976-96 from national surveys by social class and by region.

[www.doh.gov.uk/indicat/indicat.htm](http://www.doh.gov.uk/indicat/indicat.htm)

High Level Performance Indicators – health outcome and health delivery rates to health authority level.

#### **The English House Condition Survey:**

[www.housing.detr.gov.uk/research/ehcs96/index.htm](http://www.housing.detr.gov.uk/research/ehcs96/index.htm)

Results of a national survey conducted every five years. Most data at national level, some are by region.

#### **Home Office:**

[www.homeoffice.gov.uk](http://www.homeoffice.gov.uk)

Police recorded crime statistics, British Crime Survey results.

#### **Imperial College Department of Primary Care and General Practice:**

[www.med.ic.ac.uk/df/dfgm/](http://www.med.ic.ac.uk/df/dfgm/)

Information on Jarman scores.

[www.med.ic.ac.uk/df/dfgm/upa/download.htm](http://www.med.ic.ac.uk/df/dfgm/upa/download.htm)

UPA (Jarman) scores by ward (1991 boundaries), local authorities (1991 boundaries), health authorities (1996 boundaries).

#### **London Research Centre:**

[www.london-research.gov.uk](http://www.london-research.gov.uk)

Data relevant to Greater London, e.g. housing, ethnicity, schools (number, size, free school meals) some of which is downloadable. Also London-wide analyses.

**ONS Longitudinal Survey (LS):**

[www.cls.ioe.ac.uk/LS/lshomepage.html](http://www.cls.ioe.ac.uk/LS/lshomepage.html)

This survey links census, birth, death and cancer information on a 1% sample of the population followed up since the 1971 Census. The Website gives further information about the Survey, a full list of publications using the survey, and support for survey users.

**The Meteorological Office:**

[www.meto.gov.uk/home.html](http://www.meto.gov.uk/home.html)

Meteorological data, chiefly for modelling transport or factory emissions.

**Manchester Information and Associated Services (MIMAS):**

[www.mimas.ac.uk](http://www.mimas.ac.uk)

Research data sets, free for UK higher education users. Includes:

- Census variables,
- Postcode to ED look up tables,
- Census variables and software to calculate Carstairs, Townsend and Jarman scores at ED level.

[www.census.ac.uk/cdu/Datasets/1991\\_Census\\_datasets/Area\\_Stats/](http://www.census.ac.uk/cdu/Datasets/1991_Census_datasets/Area_Stats/)

Pre-calculated ward level Carstairs, Townsend indices and Jarman scores available through MIMAS.

**National survey of NHS Patients:**

<http://193.32.28.83/public/nhssurvey.htm>

Results of the national survey.

**National Air Quality Data Archive:**

[www.aeat.co.uk/netcen/airqual/](http://www.aeat.co.uk/netcen/airqual/)

National air pollution data.

**Office for National Statistics (ONS):**

[www.ons.gov.uk/](http://www.ons.gov.uk/)

Information on various types of survey data, including the Labour Force Survey, the New Earnings Survey, unemployment benefits, and on the forthcoming 2001 Census.

[www.ons.gov.uk/sesag/lfsddata.htm](http://www.ons.gov.uk/sesag/lfsddata.htm)

Labour Force Survey.

**The Pollution Inventory, the Environment Agency:**

[www.193.122.103.90/wiyby/html/introduction.htm](http://www.193.122.103.90/wiyby/html/introduction.htm)

Types and volumes of industrial emissions for specified hazardous chemicals and location of sites

**The Prison Service:**

[www.hmprisonservice.gov.uk](http://www.hmprisonservice.gov.uk)

Summary prison statistics, but only recent national level.

**South East Institute of Public Health:**

[www.seiph.umds.ac.uk/](http://www.seiph.umds.ac.uk/)

Archive of London air pollution data by station from 1995 and modelled current NO<sub>2</sub> and PM<sub>10</sub> levels by postcode and by major through road.

**Statbase:**

[www.statistics.gov.uk/](http://www.statistics.gov.uk/)

Follow links to statbase. Additional source for all types of government statistics, e.g. benefits data.

**West Midlands Public Health Observatory:**

[www.hsrb.org.uk/links/khd/khd1999](http://www.hsrb.org.uk/links/khd/khd1999)

First of the Public Health Observatories to provide information online. Contains key health statistics for the West Midlands including information on, and maps of, health boundaries, deprivation indicators by ward, health determinants and health outcomes (generally by health authority).

### **7.1.5 Routine data for investigation of health inequalities**

**Leeds Health Authority:**

[www.leedshealth.org.uk/](http://www.leedshealth.org.uk/)

Contains an Excel file of around 200 health-related performance indicators, standards and targets from a wide range of sources

### **7.1.6 Environmental health indicators**

**World Health Organization:**

[www.nene.ac.uk/ncr/who](http://www.nene.ac.uk/ncr/who)

Selected environmental health indicators for use at a national and local level.

### **7.1.7 Other useful UK Government websites**

**Modernising Government:**

[www.cabinet-office.gov.uk/moderngov/index.htm](http://www.cabinet-office.gov.uk/moderngov/index.htm)

**Strategic policy-making:**

[www.cabinet-office.gov.uk/moderngov/1999/policy/index.htm](http://www.cabinet-office.gov.uk/moderngov/1999/policy/index.htm)

**Evidence-based policy-making:**

[www.cabinet-office.gov.uk/innovation/1999/adding/coiaddin.pdf](http://www.cabinet-office.gov.uk/innovation/1999/adding/coiaddin.pdf)

**Best Value:**

[www.local-regions.detr.gov.uk/bestvalue/bvindex.htm](http://www.local-regions.detr.gov.uk/bestvalue/bvindex.htm)

---

## 7.2 Bibliography

### 7.2.1 General overview

Lock, K (2000)  
**Health Impact Assessment**  
Br.Med.J. 320; 1395-8

### 7.2.2 Health and environmental impact assessment

British Medical Association (1998)  
**Health & environmental impact assessment.** An integrated approach.  
Earthscan Publications Ltd, London.

### 7.2.3 Health impact assessment methodology

Health Canada (work in progress)  
**The Canadian Handbook on Health Impact Assessment** (3 volumes)  
(English language version)  
Available at:  
[www.hc-sc.gc.ca/oeha/](http://www.hc-sc.gc.ca/oeha/)

Department of Health (1999)  
**Health Impact Assessment. Report of a Methodological Seminar.**  
Department of Health, London.  
Available at:  
[www.doh.gov.uk/research/documents/rd2/healthimpact.pdf](http://www.doh.gov.uk/research/documents/rd2/healthimpact.pdf)

Contains the following papers:

- Health impact assessment: desirable but difficult – John Appleby
- Procedures and methods for health impact assessment – Martin Birley
- Evaluating health impact assessment – Susan J. Milner
- Health impact assessment – Methodology – John Rhodes and Peter Tyler
- Methods for prospective health impact assessment of public sector policy - Alex Scott-Samuel

European Centre for Health Policy (1999)  
**Health Impact Assessment: main concepts and suggested approaches.**  
Gothenburg Consensus Paper, December 1999.  
WHO Regional Office for Europe.  
Available at:  
[www.who.dk/hs/ECHP/index.htm](http://www.who.dk/hs/ECHP/index.htm)

Follow links to health impact assessment.

Frankish, C. J., Green, L. W., Ratner, P. A., Chomik, T. and Larsen, C. (1996)  
**Health impact assessment as a tool for population health promotion and public policy.**  
A report submitted to the Health Promotion Development Division of Health Canada by  
Institute of Health Promotion Research, University of British Columbia.  
Available at:  
[www.hc-sc.gc.ca/main/hppb/healthpromotiondevelopment/publ/impact/impact.htm](http://www.hc-sc.gc.ca/main/hppb/healthpromotiondevelopment/publ/impact/impact.htm)

Hansell, A. and Aylin, P. (2000)  
**Routine Data Use in HIA and HIIA** (provisional title).  
Available at:  
[www.ohn.gov.uk//ohn/making/impact.htm](http://www.ohn.gov.uk//ohn/making/impact.htm)

Health Promotion Division (1999)

**Developing health impact assessment in Wales.**

National Assembly for Wales, Cardiff.

Available at:

[www.wales.gov.uk/polinfo/health/healthimpact/pdf/healthimp\\_e.pdf](http://www.wales.gov.uk/polinfo/health/healthimpact/pdf/healthimp_e.pdf)

Lehto, J. and Ritsatakis, A. (1999)

**Health Impact Assessment as a Tool for Intersectoral Health Policy.**

A discussion paper for a conference on “Health Impact Assessment: From Theory to Practice”, Gothenburg 28-31 October, 1999.

World Health Organization, Regional Office for Europe.

Scott-Samuel, A., Birley, M. and Arden, K. (1998)

**The Merseyside Guidelines for health impact assessment.**

Merseyside Health Impact Assessment Steering Group, Liverpool Public Health Observatory

Available at:

[www.liv.ac.uk/~mhb/publicat/merseygui/index.html](http://www.liv.ac.uk/~mhb/publicat/merseygui/index.html)

## **7.2.4 Policy appraisal**

Department of Health (1996)

**Policy Appraisal and Health.**

Department of Health, London.

At the time of writing, this document is being updated.

Department of the Environment (1991)

**Policy Appraisal and the Environment.**

HMSO, London.

Watt, G. C. M. (1994)

**Health implications of putting value added tax on fuel. Time to combat fuel poverty**

[Editorial].

British Medical Journal 309; 1030-1.

## **7.2.5 Reviews of health impact assessment**

### **7.2.5.1 Literature reviews**

Milner, S. and Marples, G. (1997)

**Policy Appraisal and Health Project. Phase 1 – A Literature Review, for Newcastle Health Partnership.**

University of Northumbria at Newcastle

Winters, L. (1997)

**Health Impact Assessment: A Literature Review.**

Observatory Report Series No. 36. Liverpool Public Health Observatory, Liverpool.

### **7.2.5.2 Systematic reviews**

McIntyre, L. and Petticrew, M. (1999)

**Methods of Health Impact Assessment: a literature review.**

MRC Social and Public Health Sciences Unit, Glasgow.

Available at: [www.msoc-mrc.gla.ac.uk/Reports/ReportsMAIN.html](http://www.msoc-mrc.gla.ac.uk/Reports/ReportsMAIN.html)

Click on Occasional papers

### **7.2.6 Piloting health impact assessment**

Conway,L., Douglas,M.,Gavin,G.,Gorman,D. and Laughlin,S.(2000)

#### **Health Impact Assessment: Piloting the Process in Scotland.**

Scottish Needs Assessment Programme, Glasgow. To obtain a free copy of the report write to SNAP, 1 Lilybank Gardens, Glasgow G12 8RZ; tel: 0141 330 5607. Also available at:

[www.gla.ac.uk/Inter/OPHIS/Index.htm](http://www.gla.ac.uk/Inter/OPHIS/Index.htm)

Click on SNAP, then SNAP News and scroll down to Health Impact Assessment.

### **7.2.7 Commissioning health impact assessment**

Merseyside Health Impact Assessment Training Consortium.

#### **How to Commission Prospective Health Impact Assessments and Assess their Value for Money.**

Training material prepared for a one-day seminar in health impact assessment primarily for UK professionals.

### **7.2.8 Health impact assessment survey**

Ison,E. and Griffiths, S. (2000)

#### **Rich Pickings.**

Health Service Journal 110 (5713); 32-3.

### **7.2.9 Individual health impact assessments**

Broomfield, D. (1998)

#### **Health impact assessment of the King George V playing fields, Huyton SRB area.**

Observatory Report Series No. 42. Liverpool Public Health Observatory, Liverpool

Burton,K., Conway,L.,Gavin,S.,Johnston,L.,Stiven,H. and Wright,L. (2000)

#### **Health Impact Assessment of the North Edinburgh Area Renewal (NEAR) Housing Strategy.**

Scottish Needs Assessment Programme, Glasgow. To obtain a free copy of the report write to SNAP, 1 Lilybank Gardens, Glasgow G12 8RZ; tel: 0141 330 5607. Also available at:

[www.gla.ac.uk/Inter/OPHIS/Index.htm](http://www.gla.ac.uk/Inter/OPHIS/Index.htm)

Click on SNAP, then SNAP News and scroll down to Health Impact Assessment.

Fleeman, N. (1997)

#### **Health impact assessment of the Southport Drug Prevention Initiative.**

Observatory Report Series No.39, Liverpool Public Health Observatory, Liverpool

Fleeman, N. (1999)

#### **Prospective health impact assessment of the Merseyside integrated transport strategy (MERITS).**

Observatory Report Series No. 45. Liverpool Public Health Observatory, Liverpool

Gorman,D., Douglas,M. and Conway,L (2000)

#### **Health Impact Assessment of the City of Edinburgh Council's Urban Transport Policy.**

Scottish Needs Assessment Programme, Glasgow. To obtain a free copy of the report write to SNAP, 1 Lilybank Gardens, Glasgow G12 8RZ; tel: 0141 330 5607. Also available at:

[www.gla.ac.uk/Inter/OPHIS/Index.htm](http://www.gla.ac.uk/Inter/OPHIS/Index.htm)

Click on SNAP, then SNAP News and scroll down to Health Impact Assessment.

Will, S., Ardern, K., Spencely, M. and Watkins, S. (1994)

#### **A prospective health impact assessment of the proposed development of the second runway at Manchester International Airport.**

Written submission to the public enquiry.

Manchester and Stockport Health Commission.

Will, S., Ardern, K., Spencely, M. and Watkins, S. (1995)

**Plane truths.**

Health Service Journal 105(5436); 35.

Winters, L. and Scott-Samuel, A. (1997)

**Health impact assessment of community safety projects – Huyton SRB area.**

Observatory Report Series No. 39. Liverpool Public Health Observatory, Liverpool

Winters, L. (1998)

**Health impact assessment of the International Astronomy and Space Exploration Centre, Twelve Quays, Wirral.**

Observatory Report Series No. 43. Liverpool Public Health Observatory, Liverpool

### **7.2.10 Resource requirements for health impact assessments**

Fleeman, N. (1998)

**Estimated time and costs of health impact assessments.**

Liverpool Public Health Observatory

### **7.2.11 Evidence base of impacts on health (selected examples)**

#### **Air pollution**

Committee on the Medical Effects of Air Pollutants (COMEAP), Department of Health (1997)

**Handbook of air pollution and health.**

The Stationery Office, London.

#### **Housing**

Bardsley, M. Rees Jones, I., Kemp, V., Aspinall, P., Dodhia, H. and Bevan, P. (1998)

**Housing and health in London: a review by the Health of Londoners Project.**

The Health of Londoners Project, London.

Health and Housing (1999)

**Health and housing: making the link.**

Health and Housing, London.

National Housing Federation (1997)

**Housing for Health.**

National Housing Federation, London.

For further references on the health effects of housing, *see Case-studies 8.4.1 and 8.5.2.*

#### **Inequalities in health**

Independent Inquiry into Inequalities in Health (1998)

**Report of the Inquiry into Inequalities in Health;** Chairman: Sir Donald Acheson.

The Stationery Office, London.

Wilkinson, R.G. (1996)

**Unhealthy societies: the afflictions of inequalities.**

Routledge, London.

#### **Noise**

Health Council for the Netherlands (1999)

**Committee on the health impacts of large airports, 199/14E.**

Health Council for the Netherlands, The Hague.

## Nutrition

Rona, R. and Cinn, S. (1999)  
**The National Study of Health and Growth.**  
OUP, Oxford.

## Radiation

Hughes, J. S. and O’Riordan, M. C. (1993)  
**Radiation exposure of the UK population – 1993 review.**  
National Radiological Protection Board, Chilton.

## Social determinants

Marmot, M. and Wilkinson, R. (eds) (1999)  
**The social determinants of health.**  
Oxford University Press, Oxford.

For further references on the social determinants of health, *see Case-study 8.4.1.*

## Transport

British Medical Association (1997)  
**Road transport and health.**  
BMA Publications, London.

Dora, C. (1999)  
**A different route to health: implications of transport policies.**  
British Medical Journal 318; 1686-9.

For an annotated list of references on the health effects of transport, *see Case-study 8.3.3.*

## Unemployment

For references on the effects of unemployment on health, *see numbers 12-15 in Case-study 8.4.1.*

## Water

Stanwell-Smith, R. (1999)  
**Public health and waterborne diseases.**  
Public Health Medicine 1(2); 53-60.

## Wider Public Health Agenda

Contributions to the Cochrane Collaboration and the Campbell Collaboration and the NHS Centre for Reviews and Dissemination (2000)  
**Evidence from systematic reviews of research related to implementing the "wider public health" agenda.**  
NHS CRD, University of York, York.  
Available at:  
[www.york.ac.uk/inst/crd/wph.htm](http://www.york.ac.uk/inst/crd/wph.htm)  
This document reflects the broad scope of the White Paper Saving Lives: Our Healthier Nation. The material has been organised to follow the classification and listing of policies within each of the four main areas - cancer, coronary heart disease and stroke, accidents, mental health - as laid out in Appendix I of the White Paper. There are also three further sections on education, social care and social welfare, and crime, drugs and alcohol, presented as additional resources.

## **7.2.12 HIA Toolkits**

Cave, B., Curtis, S., Aviles, M. and Coutts, A. (2000)

**Health Impact Assessment... a toolkit for regeneration schemes in East London.**

Queen Mary and Westfield College, University of London, London.

Palmer, J. (2000)

**Building healthy housing partnerships: a health impact assessment toolkit for frontline professionals.**

Health and Housing, London.

Available at:

[www.vois.org.uk/healthousing](http://www.vois.org.uk/healthousing)

---

### **7.3 Register of health impact assessments**

John Kemm at the HIA in Wales Project is compiling a list of HIAs undertaken in Wales. Projects are indexed by title and by keyword. The following details are held on each project:

- Title
- Type of health impact assessment
- Keywords
- Brief description
- Rough budget
- Start date; end date
- Outcomes
- Method of study
- Notes and comments
- Contact name and address
- Phone; fax; e-mail
- Date last amended

As at end of January 2000, there were 11 projects listed, as follows.

- 1. The Effect of Housing Renewal on Health: The Riverside Project**
- 2. Sea Empress Oil Spill**
- 3. Study of Connah's Key/Shotton By-Pass**
- 4. Developing a Community Based Health Impact Assessment Model**
- 5. Addressing environmental health concerns near Trecatti landfill site**
- 6. Health impact on residents living near the Nant y Gwydda landfill site**
- 7. Modification of Pembroke Power Station to burn Orimulsion**
- 8. Air pollution and respiratory health in West Glamorgan**
- 9. HIA of new Home Energy Efficiency Scheme in Wales**
- 10. Health impact of the Upper Rhymney Community Renewal Strategy on Rhymney Village**
- 11. Renewal area programme and major industrial reclamation works in the community of Oakdale**

A copy of projects on the register can be obtained from:  
Dr John Kemm, HIA in Wales Project, Department of Epidemiology and Public Health,  
Temple of Peace and Health, Cathays Park, Cardiff, CF10 3NW.  
e-mail: [j.kemm@wales.gsi.gov.uk](mailto:j.kemm@wales.gsi.gov.uk)

---

## 7.4 London-specific resources

### 7.4.1 London websites

#### London's Health website

[www.londonshealth.gov.uk](http://www.londonshealth.gov.uk)

For updated information on the development of the **London Health Strategy**, and the work of the Coalition for health and regeneration and the new **London Health Commission**.

Includes a number of publications and resources, along with a range of rapid reviews on different aspects of the strategy.

#### The Greater London Authority

[www.london.gov.uk](http://www.london.gov.uk)

#### The Health of Londoners Project (HoLP):

[www.elcha.co.uk/holp](http://www.elcha.co.uk/holp)

HoLP has 3 main areas of work:

- providing a centre for London-wide information and analysis, which includes health statistics, population and Census data, and social and environmental indicators;
- focussed project work;
- joint work with other agencies and networks.

Reports and briefing papers are available to download from the website. All publications are pdf files. Publications not on the website can be obtained direct from HoLP at East London and City Health Authority, Aneurin Bevan House, 81-91 Commercial Road, London E1 1RD.

#### London's Health - Coalition for Health and Regeneration – original core sponsors:

##### London Region Office of the NHS Executive (LRO – NHS Exec)

[www.doh.gov.uk/london](http://www.doh.gov.uk/london)

##### Government Office for London (GOL)
