Dear Chair,

I write in reference to the follow-up letter that I received from you on 21 June 2023. I have set out a response to the information requested by the Chair below.

**Confirm how the expansion of the Ultra Low Emission Zone (ULEZ) would impact upon the budgets of local authorities in London.**

You asked about how the expansion of the Ultra Low Emission Zone (ULEZ) would impact upon the budgets of local authorities in London. I have asked TfL colleagues to follow up with you regarding any relevant analysis they can provide on local authority budgets, as this is still pending. They have committed to respond to you regarding this matter by the end of July 2023.

If you require anything more in the meantime, please get in touch.

Yours sincerely,

**Rupinder Parhar**
