Dear John

Following the last Budget Committee, AM Biggs has requested we provide you with further information relating to Sport Accord Convention 2011 and the procurement of the revised london.gov.uk website.

Sport Accord

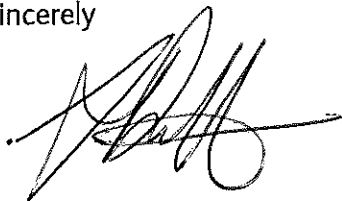

Please find attached a list of all possible events that Events for London could bid for over the coming years. Most of the dates to tender for these have yet to be set - so Events for London are preparing a strategy for the next 5 years on which events are feasible/winnable. Of these we intend to shortlist the 5 most winnable events and prepare a lobbying strategy to ensure a significant win.

Regarding the underwriting of these events, the MD is very clear that the LDA would be approached in the first instance. Only once their additional funding had been used, would the GLA be approached.

London.gov.uk

I am in the process of obtaining some of the more detailed information in relation to this query from the GLA Technology Group and as soon as I have this I will provide a full response.

Yours sincerely

Director of Marketing
