	<p>The Mayor's Entrepreneur programme is an annual competition for London's students looking for their business ideas to help make London cleaner, greener and ready for the future. This year there are 5 Awards each with a £20,000 start-up fund prize to enable the winning student businesses to be launched. Awards will be given in each of 4 categories (Creative Industries, Environment, Health, and Tech) and the 5th Award will be a Wild Card prize given to another finalist the judges choose from across all categories.</p> <p>This programme bridges the opportunity gap for students from less privileged backgrounds and aligns with the Mayor's strategic approach to a sustainable and inclusive recovery. The competition will contribute to delivering the Mayor's Recovery programme ambitions, including the ambitions of the New Deal for Young People mission, through allowing young Londoners to benefit from a skills and training offer with employment prospects and to feel empowered to shape and lead young people in the future. The programme also supports the Mayor's Green New Deal pledge, the London Environment Strategy objective of 'establishing new fledgling businesses operating in London that make a positive impact on London's environment', and the London Economic Development strategy aim to "establishing new fledgling businesses operating in London that make a positive impact on London's environment."</p>																
C0237	<p>That the Head of Paid Service:</p> <p>Approves the following proposal:</p> <p>1. Creation of 11 two year fixed-term posts in the Infrastructure Coordination Service within the GLA's Infrastructure team. The posts will be externally funded (in full for the duration of the posts) through funding received from the Lane Rental Surplus Income.</p> <p>This is a decision in principle, subject to formal confirmation of funding which is expected in February 2021; approval for the creation of these posts is sought now to ensure recruitment to those posts can start as soon as funding is confirmed. This will enable the team to progress obtaining the necessary Mayoral and Oversight Committee approvals and avoid project delivery delays.</p> <table border="1"> <thead> <tr> <th><i>Job title</i></th><th><i>Grade</i></th><th><i>Duration</i></th></tr> </thead> <tbody> <tr> <td>Portfolio Manager – Scheme Delivery</td><td>10</td><td>2 years</td></tr> <tr> <td>Portfolio Manager – Scheme Delivery</td><td>10</td><td>2 years</td></tr> <tr> <td>Senior Project Officer – Opportunity Identification</td><td>9</td><td>2 years</td></tr> <tr> <td>Technical Officer – Streetworks</td><td>10</td><td>2 years</td></tr> </tbody> </table>	<i>Job title</i>	<i>Grade</i>	<i>Duration</i>	Portfolio Manager – Scheme Delivery	10	2 years	Portfolio Manager – Scheme Delivery	10	2 years	Senior Project Officer – Opportunity Identification	9	2 years	Technical Officer – Streetworks	10	2 years	Good Growth
