

Questions to the Mayor

24 March, 2022

PRIORITY ORDER PAPER

Report No: 5
Subject: Questions to the Mayor
Report of: Executive Director of Assembly Secretariat

Redbridge Roundabout

Question No: 2022/1223

[Keith Prince](#)

Will you update me on how TfL is solving the problem of vehicles joining the Redbridge Roundabout from Redbridge Lane East?

Awareness of Air Pollution in London

Question No: 2022/0971

[Hina Bokhari](#)

Are you confident that Londoners are fully aware of the effects of air pollution?

Support to Ukrainian Refugees in London

Question No: 2022/1161

[Joanne McCartney](#)

You have rightly stated that London stands in solidarity with Ukraine, and that our city stands ready to play its part in welcoming Ukrainian refugees. What support can your office offer to Ukrainian refugees in London?

Reforming the police

Question No: 2022/0977

[Caroline Russell](#)

Who will lead the process of reform of the Metropolitan Police Service, Londoners or the police?

Cost of Living Crisis**Question No: 2022/1018**[Marina Ahmad](#)

How are you helping Londoners deal with the cost of living crisis both through direct Mayoral initiatives that support Londoners and through discussions with the Government?

Transport in London**Question No: 2022/1031**[Elly Baker](#)

Who should run Transport in London? The Mayor of London or Government Ministers and civil servants in Whitehall?

Tube Strikes**Question No: 2022/1297**[Tony Devenish](#)

What are you going to do to end the tube strikes which are crippling London?

Impact of ULEZ expansion and road charging**Question No: 2022/1276**[Peter Fortune](#)

Recognising that you believe the expansion of the ULEZ – and, in the future, road user charging - will benefit Londoners due to improving air quality, how will you ensure that the financial impact of these schemes does not hit the poorest the hardest?

Londonwide ULEZ Expansion**Question No: 2022/1059**[Leonie Cooper](#)

In December 2016, I wrote suggesting the expanded ULEZ should cover the whole of London. Your gradual approach and gradual expansion from the central zone to inner orbitals has so far paid off in terms of improved early compliance. How will you ensure that the latest consultation and expansion to the outer orbital results in even better compliance?

Stop and Search**Question No: 2022/1196**[Emma Best](#)

What do you believe the main function of stop and searches should be?

Crime against London's LGBT+ community**Question No: 2022/1239**[Nicholas Rogers](#)

Can you update me on recent actions you have taken in relation to tackling crime against London's LGBT+ community?

Support and Resilience for Ukraine**Question No: 2022/1054**[Anne Clarke](#)

What work have you and the Deputy Mayor for Fire and Resilience undertaken in London to assist with the crisis arising from the invasion of Ukraine by Russia?

Reducing pollution fairly**Question No: 2022/0975**[Zack Polanski](#)

After your announcement of a London-wide ULEZ, what are your next steps to further reduce pollution in London in a fair way?

Money laundering in London**Question No: 2022/1079**[Unmesh Desai](#)

Has the introduction of the Economic Crime Command led to an improvement in recent years in tackling those oligarchs, allies of President Putin and others who seek to use London as a location to invest money gained through corruption, tax evasion and other illegal practices in foreign countries?

Priorities for the Next Met Commissioner**Question No: 2022/0927**[Caroline Pidgeon](#)

What do you believe the top priority should be for the next Met Commissioner?

Russian Invasion of Ukraine**Question No: 2022/1107**[Sem Moema](#)

Following Russia's invasion of Ukraine, what options are there to seize property in London owned by Russian Oligarchs and allies of Putin? What would be the impact on house prices, supply and London's housing market as a whole?

Working with communities in London**Question No: 2022/1253**[Shaun Bailey](#)

How are you working with communities in London?

Fraud and Cyber Crime**Question No: 2022/1233**[Neil Garratt](#)

We know that fraud and cyber crime represent 53% of all crime, and is growing. Often this type of crime requires very different skills from traditional policing. Does the Mayor agree that the current uplift in police numbers is a golden opportunity to recruit new specialist officers with these skills?

London Plan Guidance Impact**Question No: 2022/1150**[Sakina Sheikh](#)

How have you used London Plan Guidance documents in order to improve the planning process in London and further public engagement in planning?

Levelling Up White Paper, Health Inequalities Implementation Plan and Tackling Structural Inequalities**Question No: 2022/1135**[Onkar Sahota](#)

Do you think that the Government's Levelling Up White Paper has too much of a focus on geographical inequalities, when it should also address structural and ethnic inequalities, for the benefit of London, as your Health Inequalities Strategy Implementation Plan does?

Improving Sanction Detection and Conviction Rates**Question No: 2022/1099**[Krupesh Hirani](#)

Sanction detections and convictions for crime have fallen on the whole across the country and the situation in London is no different. Rape, sexual assault, and also child sexual abuse convictions have fallen particularly steeply in recent years. What are the top measures you would like to see the Government introduce in order to improve sanction detection and conviction rates in London, and to let criminals know they aren't going to get away with serious crimes that ruin the lives of victims?

Updating your Housing Strategy

Question No: 2022/0976

[Siân Berry](#)

Is your Housing Strategy from 2018 still fit for purpose and when will you update it?

London Power

Question No: 2022/1256

[Susan Hall](#)

Is the Mayor concerned about London Power's lack of customer acquisition?

Healthy Children

Question No: 2022/1173

[Emma Best](#)

What actions are you taking to improve and promote better health in children across London?

Failure to investigate crimes

Question No: 2022/1282

[Tony Devenish](#)

Do you agree with Sir Tom Windsor that it is unjustifiable for police to decline to attend at and properly investigate crimes of a series nature, such as burglary?

(END OF PRIORITY LIST)

QUESTIONS FOR WRITTEN ANSWER

Questions not asked during Mayor's Question time will be provided with an earlier written response, by 27 March 2022.

Works at Holborn Gyrotory

Question No: 2022/0899

[Caroline Pidgeon](#)

What specific actions have been taken by (a) TfL and (b) Camden Council during the month of February in relation to making Holborn Gyrotory safe for cyclists ?

Emergency Works in Holborn

[Caroline Pidgeon](#)

Further to the extraordinary funding and financing settlement for TfL, please set out the list of Healthy Streets schemes that will be commencing during 2022.

Healthy Streets Schemes (2)

Question No: 2022/0902

[Caroline Pidgeon](#)

Following the extraordinary funding and financing agreement for TfL as set out in the Department for Transport's letter on the 25 February 2022, where it was stated in paragraph 27 that "We expect TfL to continue to deliver ambitious healthy streets", please list any Healthy Streets schemes which had previously been paused that are now commencing.

Ultra Low Emission Zone expansion 2023

Question No: 2022/0903

[Caroline Pidgeon](#)

With the London-wide expansion of the Ultra Low Emission Zone (ULEZ) planned for 2023, will you repurpose and make use of existing Low Emission Zone infrastructure?

Londonwide Ultra Low Emission Zone (1)**Question No: 2022/0904**[Caroline Pidgeon](#)

What plans do you have to encourage Londoners to join shared schemes such as car clubs and invest in other sustainable forms of transport, e.g. bicycles, as part of your Ultra Low Emission Zone expansion in 2023?

Londonwide Ultra Low Emission Zone (2)**Question No: 2022/0905**[Caroline Pidgeon](#)

When will you be publishing more detailed information on any Londonwide Ultra Low Emission Zone scrappage schemes and support packages that will be available for charities, small businesses, disabled people and Londoners on lower incomes, as part of your plans to expand the scheme Londonwide?

Mobility Credits (1)**Question No: 2022/0906**[Caroline Pidgeon](#)

What specific actions have you taken to progress the idea of mobility credits in London?

Mobility Credits (2)**Question No: 2022/0907**[Caroline Pidgeon](#)

What role will mobility credits play in any scrappage scheme in relation to the expansion of the Ultra Low Emission Zone (ULEZ) to the whole of Greater London?

Cyber Attack on Transport for London**Question No: 2022/0908**[Caroline Pidgeon](#)

Are you confident that Transport for London (TfL) has necessary and sufficient safeguards in place to cope with any potential cyber-attack on London's transport network?

Transport for London Fare Revenue Loss (1)**Question No: 2022/0909**[Caroline Pidgeon](#)

What is Transport for London's estimated loss of fare revenue for London Underground services during the RMT strike action on (a) 1 March and (b) 3 March?

Transport for London Fare Revenue Loss (2)**Question No: 2022/0910**[Caroline Pidgeon](#)

What is Transport for London's (TfL) estimated loss of fare revenue, incorporating displacement of extra travel on other TfL services during the RMT strike action on (a) 1 March and (b) 3 March?

Sharing of traffic monitoring data from Streetspace initiatives**Question No: 2022/0911**[Caroline Pidgeon](#)

Further to your reply to Question 2021/3571 please set out in detail the progress that has been made in the sharing of information from traffic monitoring surveys undertaken by TfL relating to the impact of Streetspace initiatives with the relevant London Boroughs and local residents.

Most unreliable bus service in London**Question No: 2022/0912**[Caroline Pidgeon](#)

On the 4 March 2022 in an LBC interview you stated that the "most unreliable bus in London is the single decker that relies on the Blackwall tunnel", which is similar to the statement you also made at the London Assembly Plenary on the 10 June 2021. However, the most recent data published by Transport for London (TfL) shows that eight routes are as unreliable as the 108 or worse, and at the time of your statement on the 10 June 2021, TfL's published data (Route Results for London Bus Services 09 January 2021 to 31 March 2021 Fourth Quarter 2020-21) showed that the excess waiting time for the 108 bus route was listed as 0.6 minutes, and that across London 85 other bus routes had a higher excess waiting time than this. How do you justify your continued absolute statements relating to the reliability of the 108 bus route? Will you withdraw these inaccurate statements?

Data on most unreliable bus services in London**Question No: 2022/0913**[Caroline Pidgeon](#)

Using the quarterly data from TfL since the first quarter of 2018-19, please publish a table showing the aggregated 10 worst bus services in terms of excess waiting times, listing the aggregated average wait for each bus service.

Preserving London's Heritage Crossbones Graveyard**Question No: 2022/0914**[Caroline Pidgeon](#)

Given a Roman mosaic has been discovered at the TfL owned Crossbones Graveyard site on Redcross Way, what plans do you have to ensure the preservation of these mosaics, both on and off the site?

60+ Oyster Card photocard usage before 9:00am**Question No: 2022/0915**[Caroline Pidgeon](#)

In June 2020, Transport for London (TfL) announced that it would no longer allow passengers to use their 60+ Oyster Cards during the morning peak hours to "reduce crowding" and "help social distancing". Further to your answer to Question 2021/3636, and with social distancing rules no longer in place, do these arguments still apply and justify the restriction on travel facing people over 60 years of age?

Bus Services at Ealing Hospital**Question No: 2022/0916**[Caroline Pidgeon](#)

What assurances can you provide for people that bus services serving Ealing hospital are protected?

Blackwall Tunnel Closures (1)**Question No: 2022/0917**[Caroline Pidgeon](#)

Are you confident that all measures to reduce closures to the Blackwall tunnel have been considered and exhausted, other than building the Silvertown tunnel?

Blackwall Tunnel Closures (2)**Question No: 2022/0918**[Caroline Pidgeon](#)

How many times a year does the Blackwall tunnel close? Please break these figures down by year since the year 2015.

Noise on the London Underground (1)**Question No: 2022/0919**[Caroline Pidgeon](#)

Please provide a breakdown of noise complaints on the London Underground by (a) line and (b) month since the year 2018.

Noise on the London Underground (2)**Question No: 2022/0920**[Caroline Pidgeon](#)

Given the increase in complaints from Londoners, what active steps are you taking to address and fix excessive noise pollution created by London Underground trains across the network?

Piccadilly Line**Question No: 2022/0921**[Caroline Pidgeon](#)

Following the opening of Crossrail to serve Heathrow, is any consideration being given to rebalancing the Piccadilly service so that people on the branch serving Alperton, Sudbury and beyond receive a fair and improved service?

Sudbury Town Underground Station**Question No: 2022/0922**[Caroline Pidgeon](#)

What are your current plans for Sudbury Town Underground Station car park and will you commit to full consultation with local residents and community groups on any proposals?

Blackwall tunnel road delays**Question No: 2022/0923**[Caroline Pidgeon](#)

Further to TfL's press statement on the 7 December 2017 that delays at the Blackwall Tunnel caused by drivers running out of fuel had been reduced following innovative trials between TfL, social navigation app Waze and Eurotunnel, please state what further actions have been taken to build upon these trials?

Silvertown Tunnel (1)**Question No: 2022/0924**[Caroline Pidgeon](#)

In answer to question 2022/0261 you stated “Through the Development Consent Order (DCO), TfL has committed to a minimum of 20 buses per hour during peak periods in each direction through the tunnels for the duration of the monitoring period, initially planned for three years. TfL anticipates that these buses would be zero-emission.” Please clarify (a) the times of peak periods, (b) whether or not the buses will be zero-emission, and (c) an assurance that any monitoring period will be at least three years.

Silvertown Tunnel (2)**Question No: 2022/0925**[Caroline Pidgeon](#)

What assurances can you provide as to the number and frequency of bus services operating through the Silvertown Tunnel during (a) peak periods, and (b) other times of the day, following the end of the monitoring period as referenced in your answer to Question 2022/0261?

Brownhill Road/Torridon Road junction**Question No: 2022/0926**[Caroline Pidgeon](#)

In answer to question 2021/3572 you stated ‘This scheme is currently in the detailed design stage, with the consultation report due to be published late this year. Works are provisionally programmed to take place in 2022, subject to funding being available.’ Following the repeated delays to much needed pedestrian improvements, please provide an update as to when improvements will finally take place.

VRU Work by Borough**Question No: 2022/0928**[Caroline Pidgeon](#)

Please break down the VRU’s current interventions and projects by the boroughs they are taking place in.

Police Estate (1)**Question No: 2022/0929**[Caroline Pidgeon](#)

When will the Met’s refreshed Estates Strategy finally be published and why is it taking so long?

Police Estate (2)**Question No: 2022/0930**[Caroline Pidgeon](#)

Can you confirm that it is not a legal requirement for MOPAC to sell police buildings at market value?

Notting Hill Police Station**Question No: 2022/0931**[Caroline Pidgeon](#)

If you insist on proceeding with the sale of Notting Hill Police Station will you at the very least consider supporting local efforts to retain the site for community use and supported living?

Campaign to Tackle Unacceptable Attitudes Towards Women**Question No: 2022/0932**[Caroline Pidgeon](#)

I very much welcome your new campaign, utilising male celebrities to speak directly to men and boys in London to tackle unacceptable attitudes towards women. Can you please provide details of the specialist organisations you have worked with to develop the messaging for this campaign?

Process of Selecting a New Met Commissioner**Question No: 2022/0933**[Caroline Pidgeon](#)

Would you support changes to the way future Met Commissioners are selected so that the Mayor of London and the London Assembly Police and Crime Committee have a formal role to play in the process?

Mental Health Awareness Training in the Met**Question No: 2022/0934**[Caroline Pidgeon](#)

Please provide details of the mental health awareness training given to officers in the Met, how often such training is refreshed and whether it is mandatory or not.

The Role of Football in Reducing Youth Violence (1)**Question No: 2022/0935**[Caroline Pidgeon](#)

Are MOPAC and the VRU working with the league football clubs here in London on what more can be done to promote and support young Londoners, particularly those from disadvantaged communities, to get into football?

The Role of Football in Reducing Youth Violence (2)**Question No: 2022/0936**[Caroline Pidgeon](#)

What work is the VRU undertaking to support the work of local clubs, such as the Lambeth Tigers, Madabout FC and Kinetic Academy in offering football to those at most risk of being drawn into violent crime?

The VRU and Sports Coaching**Question No: 2022/0937**[Caroline Pidgeon](#)

What wider work is the VRU doing to support sports coaching across London, given the role sports often play in reducing or directing young Londoners away from violent crime?

Resources for Review of Culture and Standards in the Met**Question No: 2022/0938**[Caroline Pidgeon](#)

Can you please provide the details of the staffing resource allocated to Baroness Casey's review of culture and standards in the Met.

The Met's 'Walk and Talk' Sessions**Question No: 2022/0939**[Caroline Pidgeon](#)

If the Met's 'Walk and Talk' initiative is to have a meaningful impact it needs to reach those women who are the most untrusting of the police. How are these sessions being promoted and how is the Met reaching out to ensure women from communities which have the lowest levels of confidence in the police can take part?

pudding Mill Allotments (1)**Question No: 2022/0940**[Caroline Pidgeon](#)

I understand that planned high-rise developments next to Pudding Mill Allotments will affect a significant portion of allotment holders' access to sunlight on their plots. What assessment of access to light has LLDC undertaken in this case, especially given the assurances allotment holders were given when they moved site in 2016?

 pudding Mill Allotments (2)**Question No: 2022/0941**[Caroline Pidgeon](#)

Will you ensure LLDC engages with the Manor Garden Society and owners of Pudding Mill Allotments to understand their concerns over planned high-rise developments adjacent to the allotments?

Refusing to Work with Certain Developers Due to Lack of Support for Leaseholders**Question No: 2022/0942**[Hina Bokhari](#)

What legal advice have you sought around the feasibility of introducing a policy of not working with certain developers if they refuse to take all possible steps to support leaseholders with the financial costs of fire safety remediation in their existing stock, and can you share the advice you have received?

EWS1 Forms and Building Surveyors**Question No: 2022/0943**[Hina Bokhari](#)

Although I welcome your recent guidance for landlords on obtaining EWS1 assessments, it fails to address the national shortage of building surveyors, which is having a significant impact on obtaining EWS1 forms here in London. We know that as of November 2021 Government had only funded an extra 50 assessors out of a planned 2,000. What more is City Hall doing to get building surveyors trained here in London so that EWS1 forms can be issued more quickly?

Training for Councillors on Fire Safety Risk Assessments**Question No: 2022/0944**[Hina Bokhari](#)

Will you look at working with the LFB and boroughs to introduce some simple training for councillors so that they can more effectively support residents in raising issues when joining fire risk assessments in their ward?

Making the LFB a Statutory Consultee on Complex Building Applications**Question No: 2022/0945**[Hina Bokhari](#)

Will you consider updating your London Plan so that there is a requirement for the LFB to be a consultee on all complex building applications?

Fire Door Safety Messaging**Question No: 2022/0946**[Hina Bokhari](#)

Fire doors play a key role in preventing and slowing the spread of fire, yet often people inadvertently reduce the effectiveness of fire doors through certain alterations. Will you work with the LFB, boroughs and housing associations to promote good practice in relation to fire doors for residents?

Mental Health Awareness Training in the LFB**Question No: 2022/0947**[Hina Bokhari](#)

Given the poor voluntary uptake of mental health awareness training in the LFB will you consider working with the LFB to make such training mandatory?

LFB's Flooding Outreach Work**Question No: 2022/0948**[Hina Bokhari](#)

Please provide an update on the LFB's flooding outreach work and how they are working with businesses and residents in the capital most at risk from flooding.

Hate Speech towards Gypsy, Roma and Traveller Communities (1)**Question No: 2022/0949**[Hina Bokhari](#)

What specific actions have you taken to raise awareness and make racist hate speech directed at the Gypsy, Roma and Traveller communities socially unacceptable in London?

Hate Speech towards Gypsy, Roma and Traveller Communities (2)**Question No: 2022/0950**[Hina Bokhari](#)

Will you consider creating a dedicated GLA-funded training programme for local authorities to help educate councillors and staff on how to stamp out racist hate speech directed at the Gypsy, Roma and Traveller communities?

Gypsy, Roma and Traveller History Month**Question No: 2022/0951**[Hina Bokhari](#)

What current plans do you have to mark Gypsy, Roma and Traveller History Month this coming June?

Visas for Ukrainian Refugees**Question No: 2022/0952**[Hina Bokhari](#)

What representations have you made to the Government on behalf of Londoners regarding calls to waive visas for Ukrainian refugees amidst the Ukraine-Russia conflict?

Mayor's Academies Programme Outcome**Question No: 2022/0953**[Hina Bokhari](#)

Will you commit to publishing a regular report on the measurable outcomes and progress achieved by your Academies Programme using the metrics of success you referenced in answer to Question 2022/0588?

City of Sanctuary**Question No: 2022/0954**[Hina Bokhari](#)

What active steps are you taking to encourage local authorities in London to become fully accredited and active Cities of Sanctuary?

Impact of COVID on London's Workspaces**Question No: 2022/0955**[Hina Bokhari](#)

Last year you committed to publishing the results from a range of surveys you commissioned on the impact of COVID on London's increasingly flexible workspaces and the new ways of working in mid-2022. Please confirm whether a date has been set for publication of the report.

Tube dust on the London Underground**Question No: 2022/0956**[Hina Bokhari](#)

Further to your reply to Question 2021/2470, please state when in 2022 the short-term report by Imperial College London on sickness absence caused by tube dust will be published.

Particulate Matter on the London Underground**Question No: 2022/0957**[Hina Bokhari](#)

What actions have you taken so far to tackle particulate pollution on the London Underground network?

Air Pollution Monitoring on the London Underground**Question No: 2022/0958**[Hina Bokhari](#)

More than 800 pollution monitors across 277 subway stations were installed in Seoul, South Korea, to provide real-time air quality updates. Will you commit to looking at adopting a similar approach in London to effectively monitor particulate matter on the London Underground network?

Breathe London Sensors (1)**Question No: 2022/0959**[Hina Bokhari](#)

Given the high £1920.00 price tag of the Breathe London Nodes, what steps have you taken, e.g. by working together with Clarity and Imperial College London, to make the nodes more affordable to small organisations and low-income Londoners, who are adversely affected by poor air quality?

Breathe London Sensors (2)**Question No: 2022/0960**[Hina Bokhari](#)

How many Breathe London air monitoring nodes have been bought since the online shop was launched?

Food Bank Referrals**Question No: 2022/0961**[Hina Bokhari](#)

How many Londoners who are (a) in work (b) unemployed are accessing food banks? Please break these figures down by year since 2018.

Wood Burning Awareness-raising Project (1)**Question No: 2022/0962**[Hina Bokhari](#)

What metrics will you be using to assess the success of the wood burning awareness-raising project, which you referred to in answer to Question 2022/0582?

Wood Burning Awareness-raising Project (2)**Question No: 2022/0963**[Hina Bokhari](#)

Please set out a detailed timeline for when you will be launching the London-wide wood burning awareness-raising project.

Communications Strategy on Cargo Bikes**Question No: 2022/0964**[Hina Bokhari](#)

What efforts have you made in encouraging the wider uptake of sustainable zero-emission freight delivery vehicles, such as cargo bikes, amongst small businesses and traders, through the communication channels available to you as Mayor?

Supporting London's Street Markets**Question No: 2022/0965**[Hina Bokhari](#)

When did you and the Deputy Mayor for Business last join a meeting of the London Markets Board, and will you commit to joining them more frequently in order to better understand the challenges facing London's Street markets and traders post-Covid?

London Markets Board Applications**Question No: 2022/0966**[Hina Bokhari](#)

The London Markets Board recently advertised for nine new board members, with applications having closed on 17 January 2022. Please state how much engagement was undertaken to promote these positions with market traders across London, and to what extent was diversity of members in terms of gender, ethnicity and sexuality considered in the process?

Mayoral Support for the Future High Streets Fund**Question No: 2022/0967**[Hina Bokhari](#)

Please provide details on the practical support you offered and gave to local authorities in submitting bids to the Government's Future High Streets Fund scheme?

London Progression Collaboration Apprenticeships (1)**Question No: 2022/0968**[Hina Bokhari](#)

Please state the exact number of new apprenticeships created through your London Progression Collaboration, which was delivered in conjunction with IPPR and JP Morgan foundation.

London Progression Collaboration Apprenticeships (2)**Question No: 2022/0969**[Hina Bokhari](#)

Please state how the transferred £9m in unspent apprenticeship levy from large employers to smaller businesses through the London Progression Collaboration provided dedicated support to (a) disabled Londoners and (b) ex-offenders, helping them into work.

Sustainable Freight Delivery for Street Market Traders**Question No: 2022/0970**[Hina Bokhari](#)

What support are you giving to initiatives like Fare City's Cleaner Air Markets (CAM), in which goods, market traders and infrastructure are brought to existing markets using a combination of cargo bikes, cycles and some electric vehicles?

West Hampstead Underground Station**Question No: 2022/0972**[Caroline Pidgeon](#)

What is TfL doing to prioritise step free access at West Hampstead London Underground station as part of the O2 Centre development?

Refreshed Violence Against Women and Girls Strategy**Question No: 2022/0973**[Caroline Pidgeon](#)

When will your refreshed VAWG Strategy finally be published?

Making Londoners Aware of Fire Risks of E-Scooters and Lithium-ion Batteries**Question No: 2022/0974**[Hina Bokhari](#)

I am pleased the LFB now has information on the fire risks posed by e-scooters more prominently displayed on its website. What further steps are the LFB and GLA taking to work with employers, landlords and others to make Londoners aware of the fire risks associated with e-scooters and particularly lithium-ion batteries?

Night Surgery participants**Question No: 2022/0978**[Zack Polanski](#)

Data are not currently collected on the number of individual participants at the Night Czar's Night Surgeries. Will you collect this information for future Night Surgeries?

Youth Recovery Board**Question No: 2022/0979**[Zack Polanski](#)

What is the impact of the Youth Recovery Board on your decisions as Mayor? How are you ensuring that the voices of board members are heard and that the issues they care about are acted upon?

Universal Basic Income pilot in Wales**Question No: 2022/0980**[Zack Polanski](#)

The Welsh government recently announced that it will trial a universal basic income (UBI) pilot for 250 care leavers. How will you engage with the outcomes of this pilot when considering a UBI scheme in London?

Tenants on the Transport for London estate**Question No: 2022/0981**[Zack Polanski](#)

Could you provide evidence of work you have done with Transport for London (TfL) to ensure that all tenants in TfL commercial estates receive consistent support to recover from the impacts of the coronavirus pandemic?

Woodburning and energy performance**Question No: 2022/0982**[Zack Polanski](#)

Energy Performance Certificates (EPCs) in London continue to cite woodburning as worthy of a higher rating. Will you ask the Government to update this guidance so that woodburning is not positively regarded for EPCs in urban areas?

Improving energy efficiency in the GLA Group (1)**Question No: 2022/0983**[Zack Polanski](#)

Given the rise in energy prices, what measures have you implemented to improve energy efficiency across the GLA Group?

Improving energy efficiency in the GLA Group (2)**Question No: 2022/0984**[Zack Polanski](#)

What is the energy usage in MWh by the GLA Group for the last five years? Could you provide this information by energy source (electricity, natural gas, other)?

Reducing diesel use in London**Question No: 2022/0985**[Zack Polanski](#)

What is the expected impact of your 27 per cent traffic reduction target on diesel usage in London?

Energy requirement of the Silvertown Road Tunnel boring machine**Question No: 2022/0986**[Zack Polanski](#)

The Energy and Carbon Statement for the Silvertown Road Tunnel had an estimated baseline construction energy demand of 32,338 MWh. Could you provide the expected daily power demand for the Tunnel Boring Machine (TBM) and all associated plants when boring operations commence, and the total power demand for all boring operations?

Water requirement of the Silvertown Road Tunnel boring machine**Question No: 2022/0987**[Zack Polanski](#)

The Energy and Carbon Statement for the Silvertown Road Tunnel only provided a rough figure of 52,500 cubic metres of expected water use. Could you provide the expected daily water demand for the Tunnel Boring Machine (TBM) and all associated plants when boring operations commence, and the total water demand for all boring operations?

Ethical procurement of fuels**Question No: 2022/0988**[Zack Polanski](#)

Have you reviewed the energy sources used by Transport for London (TfL) and the wider GLA Group to ensure there is no oil or natural gas currently supplied from Russia? If not, could you outline your plan for ending GLA reliance on Russian fuel?

Mapping climate impacts in London (1)**Question No: 2022/0989**[Zack Polanski](#)

The Commissioner of the London Fire Brigade has said that in 2021 there were almost 4,000 grass fires within the M25 area. Could you provide a map and table of these incidents, including a breakdown by borough, so that the nature of climate risks in London can be clearly understood?

Mapping climate impacts in London (2)**Question No: 2022/0990**[Zack Polanski](#)

The Commissioner of the London Fire Brigade has said that in 2021 there were several thousand incidents of flooding in London. Could you provide a map and table of these incidents, including a breakdown by borough, so that the nature of climate risks in London can be clearly understood?

Wearing masks on TfL services**Question No: 2022/0991**[Caroline Russell](#)

Will Transport for London (TfL) continue to record mask-wearing on services, despite masks no longer being a condition of carriage? If so, could you provide the latest figures for TfL passengers who wear protective masks, and compare these figures with the number of passengers who wore them when it was a condition of carriage?

Disproportionality Scrutiny Group

Question No: 2022/0997

[Caroline Russell](#)

In your Action Plan - Transparency, Accountability and Trust in Policing you announced a three-month project with communities to co-design and launch a new Disproportionality Scrutiny Group. Did this project happen, and if so, what were the outcomes?

Action Plan Dashboard strip searches

Question No: 2022/0998

[Caroline Russell](#)

In your Action Plan - Transparency, Accountability and Trust in Policing, you said: "MOPAC will produce a quarterly race equality audit, reporting on the MPS' use of its powers, including for example, the use of Tasers and strip-searching." However, your Action Plan Dashboard contains data on the use of tasers but nothing on strip searches. Do you have plans to add strip search data to the Action Plan Dashboard?

Action Plan Dashboard: feedback from communities**Question No: 2022/0999**[Caroline Russell](#)

The MOPAC quarterly update on your Action Plan - Transparency, Accountability and Trust in Policing says: "MOPAC continues to listen to feedback from communities on what they would like to see in the dashboard." From which groups is this feedback gathered, how is it gathered, and what changes have been implemented as a result?

Community consultation in community monitoring**Question No: 2022/1000**[Caroline Russell](#)

Shared owners and lease lengths (2)

Question No: 2022/1006

[Siân Berry](#)

Thank you for your answer to my question 2021/0029. Could you: a) update me on any response Deputy Mayor Tom Copley has received from housing sector partners on providing 999-year leases as standard, and b) update me on any response received from former Secretary of State Robert Jenrick (or his successors) on reviewing longer standard lease terms?

Defining ‘obsolete’ homes for grant purposes

Question No: 2022/1007

[Siân Berry](#)

A constituent has written to me concerning the fact that, in the most recent round of GLA affordable housing grants, the concept of ‘obsolete’ homes has been introduced. The Homes for Londoners: Affordable Homes Programme 2021-2026 documentation says about this: “36. The Affordable Homes Programme 2021-2026 provides funding for estate regeneration projects where the grant is used for additional homes. Funding will not be available for units that replace homes that have been, or will be, demolished. Where homes have become obsolete the GLA will consider funding these replacement homes in exceptional circumstances, and only as part of a scheme that will increase the number of

homes overall.” What definition and criteria does the GLA use for ‘obsolete’ homes and how many units of social housing have been determined to be ‘obsolete’, and therefore given grant to cover their replacement, since 2021? Please provide this information in table format per borough.

Permitted development rights for conversion from shops to housing

Question No: 2022/1008

[Siân Berry](#)

What data are you collating on the number of conversions of commercial premises to residential properties on London’s high streets under permitted development rights, and where is this information published?

District Heating Networks

Question No: 2022/1009

[Siân Berry](#)

People who live in apartment blocks that are part of a District Heating Network (DHN) are treated as commercial rather than domestic users and are therefore not covered by the energy cap. In the London Plan it states that you are: “exploring how to increase the rate of their development in London, which will require central government to create a level playing field for the treatment of district heating networks compared to other statutory utilities regarding access rights and business rates.” What action have you taken to lobby the Government on this and what response have you received?

Criteria for satisfactory progress with strategic estate regeneration projects (2)

Question No: 2022/1010

[Siân Berry](#)

Thank you for your answer to my question 2022/0519. Could you tell me: a) where the results of these case-by-case assessments of satisfactory progress are published, and b) which estate regeneration projects – by name – have had their estate ballot exemption status overturned and the reasons why?

Space standards and grants

Question No: 2022/1011

[Siân Berry](#)

During the recent London Assembly Housing Committee investigation into Alternative Methods for Expanding Social Housing in London, GLA requirements over space standards were cited as the reason for grant not being given to obtain older properties, refurbish them and add them to social housing supply aimed at families. Is this the case and, if so,

what can you do to enable the buying back of larger homes that don't meet current space standards?

Grants for buying back larger homes

Question No: 2022/1012

[Siân Berry](#)

What opportunities exist within the Affordable Housing Programme to allow higher grant rates for the Right to Buy Back scheme to cover the purchase of larger sized existing homes for families?

Variations to the Silvertown Road Tunnel contract

Question No: 2022/1013

[Siân Berry](#)

Two variations to the Silvertown Road Tunnel contract have already been made and detailed on the Transport for London (TfL) contracts listing. Are these the only variations to the contract to date, and what process was followed in making them?

Borough Healthy Streets funding (2)

Question No: 2022/1014

[Siân Berry](#)

Thank you for your answer to my question 2021/4860. I have attempted to use the figures provided in discussions with campaigners, but concerns have been raised about figures that remain listed for schemes that have not been implemented. What process are you following to reclaim or reallocate money given to boroughs for new walking and cycling infrastructure schemes that have been removed or cancelled?

Borough Healthy Streets funding (3)

Question No: 2022/1015

[Siân Berry](#)

Thank you for your answer to my question 2021/4860. Could you confirm the planned and actual allocations to boroughs by financial year since the start of the programme for: a) Liveable Neighbourhoods, b) Local Implementation Plan (LIP) Majors, c) Local Implementation Plan (LIP) Corridors, d) Crossrail Complementary Measures, e) Borough Cycling, and f) Streetspace, and other short-term funding?

Estate ballot process review (7)**Question No: 2022/1016**[Siân Berry](#)

In your response to the City Hall Greens budget amendment proposing a Resident Empowerment Fund, you said: "Estate residents may choose to reject proposals through voting or abstention if they are not confident, for any reason, that the proposals they have been offered are right for them or their community." This reads as though abstention from voting in a ballot amounts to rejection of the proposals. Could you confirm whether this is the case? If it is, will you update your estate regeneration guidance and Resident Ballot Requirement Funding Condition documentation to reflect this?

MPS complaints by borough**Question No: 2022/1017**[Caroline Russell](#)

Could you provide the number of complaints that Metropolitan Police Service (MPS) officers have received since 2016, breaking this figure down by: a) borough, b) unit, c) type of complaint, and d) outcome of complaint?

Extraordinary Funding and Financing Agreement for TfL (1)**Question No: 2022/1039**[Elly Baker](#)

The Extraordinary Funding and Financing Agreement for Transport for London (TfL) for the period to 11 December 2021 says "HMG would also consider reducing government supervision: ending, for instance, the presence of HMG special representatives on TfL's board. This will only be possible if HMG can be satisfied (via the Oversight Group) within the 2021 Funding Period that the measures set out in this letter to put TfL on a financially sustainable footing are being and have been progressed." Given HMG special representatives remain in place under the 25 February 2022 agreement, can we conclude the Government does not think TfL is making adequate progress? Is this your understanding of the Government position and have they explained what needs to happen for the governance to be relaxed?

Extraordinary Funding and Financing Agreement for TfL (2)**Question No: 2022/1040**[Elly Baker](#)

The Extraordinary Funding and Financing Agreement for Transport for London (TfL) for the period to 11 December 2021 refers to, "Delivery of further operating efficiencies of at least £300m in 2021/22 through appropriate revenue sources and/ or cost saving initiatives". However, the 25 February agreement says, "TfL will continue to provide periodic monitoring of the £400m in year savings included in their revised budget for 2021/22". Can you confirm when the £300m in savings became £400m in savings for 2021/22 and what reasons the Government gave for the increase?

BCU Domestic Abuse teams**Question No: 2022/1087**[Unmesh Desai](#)

At the meeting of the London Assembly Police and Crime Committee on 2 February 2022, Commander Sue Williams referred to the fact that some basic command units (BCU) have dedicated teams tackling Domestic Abuse whilst others do not, and cited this as a reason

for the differences in the use of Domestic Violence Protection Orders and Notices across London. How many BCUs in London have dedicated domestic abuse teams or units? If possible, please identify those who do and those who do not.

TfL Bus Stops and Driveways (1)

Question No: 2022/1088

[Len Duvall OBE](#)

How many TfL bus stations are sited over driveways? Please provide a borough by borough breakdown.

TfL Bus Stops and Driveways (2)

Question No: 2022/1089

[Len Duvall OBE](#)

What assessment has been made of whether bus stops that block driveways could be moved to minimise inconvenience?

TfL Bus Stops and Driveways (3)

Question No: 2022/1090

[Len Duvall OBE](#)

What guidance is given to bus operators and bus drivers to ensure that inconvenience to those whose driveways are blocked by TfL bus stops is minimised?

TfL Bus Stops and Driveways (4)

Question No: 2022/1091

[Len Duvall OBE](#)

Constituents report being seriously inconvenienced by bus drivers parking across their drives for lengthy periods and refusing to move when asked to. What action will TfL take to support Londoners who are unable to leave their driveways due to TfL buses stopping for more than a drop-off period?

TfL Service Update

Question No: 2022/1092

[Len Duvall OBE](#)

During the recent tube strike TfL's service update reported good service on lines but did not state that whilst trains were running stations were closed. How can the Service Update be updated to accurately reflect travelling conditions in London and to be a useful tool to Londoners as a result?

TfL and Overnight Works (1)**Question No: 2022/1093**[Len Duvall OBE](#)

Constituents are complaining about overnight roadworks and resurfacing taking place along the Bromley Road in Lewisham. No vibration dampening equipment is being used by TfL's contractors and no notification was sent to residents. Is this standard practice for TfL nightworks?

TfL and Overnight Works (2)**Question No: 2022/1094**[Len Duvall OBE](#)

Please provide a borough-by-borough breakdown of overnight roadworks undertaken either by or on behalf of TfL in 2021/22?

TfL and Overnight Works (3)**Question No: 2022/1095**[Len Duvall OBE](#)

How can TfL reassure Londoners that it is a good neighbour who takes noise disturbance caused by overnight roadworks seriously and seeks to mitigate their effects?

Greens End Entrance, Woolwich DLR Station (1)**Question No: 2022/1096**[Len Duvall OBE](#)

Constituents have raised concerns that the Greens End entrance to Woolwich DLR station is regularly shut, increasing journey times as they are forced to walk to alternative entrances instead. How many days in 2021/22 has this entrance been shut for more than 1 hour per day? Please provide a month-by-month breakdown.

Greens End Entrance, Woolwich DLR Station (2)**Question No: 2022/1097**[Len Duvall OBE](#)

I am told that the closure of this entrance is due to temporary staff shortages. Please detail how these staff shortages will be addressed.

Greens End Entrance, Woolwich DLR Station (3)**Question No: 2022/1098**[Len Duvall OBE](#)

What are the long-term plans for this entrance to the station?

Kilburn Railway Station Arches**Question No: 2022/1100**[Krupesh Hirani](#)

Transport for London has started a consultation over how to best restore the arches next to Kilburn Railway Station, as part of funding from one of your Mayoral initiatives. Can you provide details of how you have been investing in arches across London and supporting tenants in the last two years?

Transforming Church End, Brent**Question No: 2022/1101**[Krupesh Hirani](#)

Brent Council has secured funding to transform Church End as part of your High Streets for All Challenge. According to Brent Council figures, the street has the highest concentration of criminal activities per business and highest high street vacancy rate (16 per cent) in the borough. In addition, it recorded the second highest Covid death rate in England at the beginning of the pandemic. How confident are you that the planned improvements will lead to less criminal activity, higher occupancy by businesses and greater confidence in the locale within the community?

Solar Together Round Five**Question No: 2022/1102**[Krupesh Hirani](#)

Solar Together is running for the fifth time since 2018. How many more rounds of this innovative scheme will follow and how confident are you that, as the scheme becomes well-established, greater numbers of Londoners will choose solar panel installation?

Wembley Stadium Station**Question No: 2022/1103**[Krupesh Hirani](#)

My constituents want the frequency of trains on the Chiltern Line increased, as this will enhance transport options for Brent residents around Wembley Stadium and Sudbury accessing Outer and Central London. Will the Mayor support an increase in services on the Chiltern Line running through my constituency?

Weight of Electric Buses**Question No: 2022/1104**[Krupesh Hirani](#)

In reply to my Question Number 2022/0658, you stated that battery packs on board electric buses make these vehicles heavier than the buses they replace. This weight disturbs my constituents: as the buses pass, their houses shake. As the roll-out of zero emission vehicles proceeds and technology is refined, what is the likelihood of technology improving and the battery packs becoming lighter?

White Hart Lane and Great Cambridge Roundabout**Question No: 2022/1105**[Joanne McCartney](#)

There are ongoing issues of illegal U-turning at the junction of White Hart Lane and the Great Cambridge Roundabout.

House Price Increase (2)**Question No: 2022/1132**[Sem Moema](#)

The average house price in London is now just shy of £630,000, do you believe this is sustainable in the long term?

House Price Increase (3)**Question No: 2022/1133**[Sem Moema](#)

In your view what steps can Government take to help first time buyers in London get on the housing ladder?

Wick Road A12 Junction**Question No: 2022/1134**[Sem Moema](#)

Hackney's Living Streets Group, Councillors, and residents have frequently raised road safety-related concerns on Wick Road's A12 Junction and bend. There have been several car accidents on this road involving cyclists. Campaigners have advocated for a signalled junction or pavement build-out which narrows the crossing and slows down the turning speed. Will TfL consider delivering road safety improvements on Wick Road's A12 junction?

60+ London Oyster Photocard**Question No: 2022/1136**[Onkar Sahota](#)

The temporary changes to the Older Person's Freedom Pass and 60+ London Oyster photocard during the morning peak were introduced in June 2020, as a condition of Transport for London's funding agreement with the Government. What is the likelihood of these temporary changes being retained in the longer term, considering the impact on older people and the foregone income associated with providing free travel before 9am?

Fines for Unscrupulous Trading**Question No: 2022/1137**[Onkar Sahota](#)

Lobbying Government about Effectiveness of Masks against Covid-19**Question No: 2022/1211**

Keith Prince

In your response to question 2022/0792, you do not present any evidence of your lobbying the Government about the effectiveness of masks against Covid-19, but you do refer to your 16 April 2021 'public' declaration for "the Government to change their advice around the compulsory wearing of face coverings". A 16 April 2021 BBC Report about your public declaration (<https://www.bbc.co.uk/news/uk-england-london-52312906>) has you stating:

"I'm lobbying our government and advisers to change their advice, and I want us to do that sooner rather than later. They are already reviewing this on the basis of our representation."

Please provide: (a) a copy of your alleged representation; (b) any evidence for your statement that the Government was reviewing your alleged representation; and (c) any evidence that the Government responded to your alleged representation.

**Lobbying Government about Effectiveness of Masks against Covid-19
(2)****Question No: 2022/1212**[Keith Prince](#)

In your response to question 2022/0792, you suggest that your decision to lobby the Government about the effectiveness of masks was based on a BMJ article dated 9 April 2020 brought to your attention by your Health Advisor.

Please provide me with all evidence (emails, memos, handwritten notes) of your consideration of the BMJ Article brought to attention by your Health Advisor before your public declaration on 16 April 2021.

**Lobbying Government about Effectiveness of Masks against Covid-19
(3)****Question No: 2022/1213**[Keith Prince](#)

In a 9 April 2020 email from TfL to Unite the Union released in your long-delayed response to question 2020/1724, TfL clearly states that the "latest guidance from TfL is masks are not needed", yet you made a public declaration about the effectiveness of masks against Covid-19 on 16 April 2020.

Please explain why you did not instruct TfL to correct its 9 April 2020 guidance to Unite the Union and to take further action on/or immediately after 16 April 2020 when you made your public declaration and it was fully within your statutory power (a) to distribute masks to bus drivers and make their wearing compulsory and (b) make it a "condition of carriage" for face coverings to be worn when travelling on the London transport network, as you did on 19 July 2021 after the national restrictions had been lifted?

Vision Zero - Independent Survey of London Bus Drivers**Question No: 2022/1214**[Keith Prince](#)

Quarterly Bus Safety Data - KSIs from Activity Incidents

Question No: 2022/1216

[Keith Prince](#)

After analysis of the Quarterly Bus Safety Data that—after my repeated requests—you recently restored in downloadable form to the TfL website, I note that, during the period 1 January 2014 to 31 December 2021, 1 person has been killed and 259 people have been sent to hospital by an injury-causing action that TfL's data records 1230 times in the period as an "Activity Incident". Exactly what is an "Activity Incident" and why is this not defined anywhere in the data or on TfL's Website?

Quarterly Bus Safety Data - KSIs from Personal Injury Events

Question No: 2022/1217

[Keith Prince](#)

Analysis of the Quarterly Bus Safety Data that—after my repeated requests—you recently restored in downloadable form to the TfL website, I note that, during the period 1 January 2014 to 31 December 2021, 4 people have been killed and 1688 people have been sent to hospital by an injury-causing incident that TfL's data records 11791 times as a "Personal Injury Event". What exactly is a "Personal Injury Event" and why is this not defined anywhere in the published data or on TfL's website?

Quarterly Bus Safety Data - KSIs from Near Miss Incidents

Question No: 2022/1218

[Keith Prince](#)

After analysis of the Quarterly Bus Safety Data, which—after my repeated requests—you recently restored in downloadable form to the TfL website, I note that, during the period 1 January 2014 to 31 December 2021, 21 people have been sent to hospital by an injury-causing action that TfL's data records 114 times in the period as a "Near Miss Incident". Exactly what is a "Near Miss Incident" and why is this not defined anywhere in the data or on TfL's website?

Quarterly Bus Safety Data - KSIs from Safety Critical Failures**Question No: 2022/1219**[Keith Prince](#)

After analysis of the Quarterly Bus Safety Data, which – after my repeated requests – you recently restored in downloadable form to the TfL website, I note that, during the period 1 January 2014 to 31 December 2021, 14 people have been sent to hospital by an injury-causing action that TfL’s data records 83 times in the period as a “Safety Critical Failure”. Exactly what is a “Safety Critical Failure” and why is this not defined anywhere in the data or on TfL’s website?

Vision Zero and TfL outsourcing Bus Crash Investigations to Bus Operators**Question No: 2022/1220**[Keith Prince](#)

In your response to question 2019/20149, you stated “Transport for London (TfL) and I are confident that the bus operating companies are best placed to undertake investigations into their incidents.” Meanwhile, your response to question 2020/4103 reveals that these same investigations are the apparent source of the victim-blaming narratives that TfL dutifully published before any Inquests had been carried out, which are in my view a manifest failure of due process that I pointed out in question 2020/3655.

Do you accept that TfL’s seemingly complacent acceptance of whatever narrative it receives from bus operators concerning their alleged investigations of crashes of their own vehicles that have resulted in someone being killed or seriously injured suggests that, in order that these bus crash investigations have any credibility, TfL must set up an Independent Bus Crash Investigation Unit as was recommended by the London Assembly Transport Committee in Recommendation 10 of its 2017 “Driven to Distraction” bus safety investigation?

Details on 23 People Seriously Injured in Bus or Coach Safety Incidents during the period 01 April 2021 to 26 June 2021**Question No: 2022/1221**[Keith Prince](#)

In your response to question 2021/4896, you provided a spreadsheet which responded to my request for details on the ‘on 23 People Seriously Injured in Bus or Coach Safety Incidents during the period 01 April 2021 to 26 June 2021’, a KSI number I extracted from page 11 of the Safety, Health and Environment Quarterly report, Quarter 1 2021/22 presented to TfL’s Safety Sustainability and Human Resources Panel on 14 September 2021. However, an analysis of your spreadsheet shows 27 total incidents, of which 2 were where “First Aid Provided on Scene”, 11 where “No Treatment Offered or Required” and 14 were “Taken to Hospital” with no indication of how serious the injury was.

Meanwhile, the Quarterly Bus Safety Data published on TfL's website shows that, for the exact same period, 42 people were sent to hospital from bus safety incidents and 1 person was killed. How many people were seriously injured in bus and coach incidents between 1 April and 26 June 2021: is it 23, 27, 43 or some other number? Given the apparent poor quality of TfL's Bus Safety Performance Data Reporting, how is anyone expected to scrutinise the progress—or lack of it—towards your stated goal of Vision Zero?

Independent Audit of TfL's Quarterly Bus Safety Data

Question No: 2022/1222

[Keith Prince](#)

New Street Traffic Scheme

Question No: 2022/1287

[Tony Devenish](#)

During the Covid pandemic, TfL introduced an experimental scheme that banned all cars, taxis and delivery vehicles from New Street in the City of London on weekdays between 7am and 7pm, without written notice to the residents of New Street. Despite many residents being deeply unhappy about this, TfL now wishes to make this scheme permanent.

The questions within TfL’s consultation make it impossible to draw attention to the impact of the scheme on New Street. Residents favour the northbound bus gate being moved 75m north so that New Street is excluded. They note that all the objectives of the scheme would still be met without denying access to the residents of New Street to their homes, since New Street is a no through road.

Will you agree to move the bus gate or, at the very least, poll all the residents of New Street on that proposal and agree to abide by the majority view?

Proposal ACP 2021-056

Question No: 2022/1288

[Tony Devenish](#)

Do you agree that the consultation for Heathrow's airspace change proposal ACP 2021-056 should a) adopt a set of transparent and appropriate design principles, decided after proper and thorough engagement and consultation, b) not be submitted in a piecemeal manner or without adequate notice, and is not rushed through the different gateways of the airspace modernisation programme, c) make it clear precisely what the noise impact and noise levels below are expected to be of any optimized flight routes and new procedures, on newly affecting residents living below them and d) involve a 1 week live trial for every community which will have increased noise over them as a result of the proposed airspace changes, so that people can understand any harmful effect? If so, what representations are you making to see that these criteria are met?

Bus Action Plan and Vision Zero

Question No: 2022/1289

[Tony Devenish](#)
