Expenses for the financial year 2009-10

File last updated: 26-Mar-10

An individual's expenses file is updated when a new item has been approved for payment. The 'last updated' date in this file indicates the date the most recent expense was added. Please note that there may be an interval between an expense being incurred and its addition to this file. A claim can be submitted up to three months after incurring the expenditure and, must then go through the approval process.
