SCHEDULE 1 – The Standard Services

The purpose of this schedule is effectively to set the "baseline" for the services.

Part 1 should identify such services (within the relevant service area) which the Council is required to provide as part of this statutory duty (e.g. refuse, maintenance of highway etc.)

Part 2 of the Schedule should set out those services which the Council provides as part of its "standard" routine but which are above those provided as part of its usual statutory function. The point here being that the BID Company should nonetheless consider this part of the standard service provided by the Council in that BID Levy funds should not be used to fund initiatives which the Council has already committed itself to/provide.
SCHEDULE 2 – BENCHMARK CRITERIA

The purpose of this schedule is to set out the basic criteria against which the standard services are to be assessed. This should include the following:

(a) Specification of the work to be undertaken (e.g. if cleansing is stipulated how many times a week this is to take place etc)

(b) Any relevant industry standards which the Standard Services should meet
