Dear colleague

Further to my email of last week I write to confirm that yesterday morning the Mayor of London published the Housing Standards and Parking Standards Minor Alterations to the London Plan (MALPs) – <http://www.london.gov.uk/priorities/planning/london-plan/minor-alterations-to-the-london-plan-2015> . This page will be updated over the next few days with evidence docs etc, so please check back...

I attach copies of both consultation draft MALPs. These and the accompanying statutory impact assessments can also be downloaded from the link above.

Responses by 22 June please. Details of how to respond are on the webpage and also in the MALPs documents. We are looking to hold the EiP in October 2015.

Once again – apologies for any multiple notifications!
