Dear Andrew,

Thank you for your letter dated 19th December 2023.

I can confirm that schools maintained by Westminster Council pay both teachers and school support staff on inner London pay scales.

I support the motion regarding:

- the Mayor to continue to lobby for greater London weighting parity between the rates paid by public sector employers such as schools, police, NHS and councils;
- the Mayor to look at introducing an independent pay board to fairly set London weighting, and to include London weighting in the Good Work Standard; and
- the Mayor to report back to the Assembly what progress has been made with regards to London weighting within the next 6 months

It will also be key that any changes agreed are fully funded, or schools' financial positions will be affected.

Yours sincerely,

Councillor Adam Hug
Leader of Westminster Council
