PART I – NON-CONFIDENTIAL FACTS AND ADVICE

Decision required – supporting report

1. Introduction and background

- 1.1. The proposed Directions are attached at Appendix 1. They were discussed in advance with the Electoral Commission, Constituency Returning Officers (CROs), Borough Returning Officers (BROs) and Electoral Services Managers (ESMs).
- 1.2. The purpose of the Directions is to ensure that the delivery of the Mayor of London and London Assembly elections complies with the law, and with Electoral Commission guidance and performance standards; and to ensure a consistency of experience for voters, candidates and agents.
- 1.3. The Directions thus provide the Greater London Returning Officer (GLRO) with confidence that CROs are working to an agreed consistent standard; and reduce the risk of a challenge to the conduct of the election.
- 1.4. The Directions are similar to those developed for the postponed 2020 elections and rescheduled 2021 elections. But there are new and modified directions around verification and count processes further to the decision to count votes manually, rather than electronically, as set out in decision [GLRO24-01](#) (the Greater London Authority Election Rules 2007 (the 2007 Rules) modify the verification and count rules where there is to be a manual count). Directions that would pertain to Mayoral and Assembly elections if a UK parliamentary election is also held on Thursday 2 May 2024 have also been drafted.

2. Objective and expected outcomes

- 2.1. All key stakeholders have been consulted and agreement reached that the Directions allow each CRO to discharge their functions in accordance with relevant legislation.

3. Equality comments

- 3.1. There are no equality considerations arising from this decision.

4. Financial comments

- 4.1. There are no financial considerations arising from this decision.

5. Legal comments

- 5.1. The directions are consistent with the GLRO's functions as detailed in the 2007 Rules. Under Rule 11 the GLRO may give to any CRO a direction either: as to the manner in which s/he must discharge any of his/her functions set out in these Rules; or requiring him/her to provide the GLRO with any information which the CRO has, or is entitled to have, in accordance with these rules.
- 5.2. It is the duty of each CRO to whom a direction is given to discharge his/her functions in accordance with that direction.
