

GREATER **LONDON** AUTHORITY

Siân Berry AM

Sian.Berry@london.gov.uk

Our ref: MGLA150324-8882

Date: 11 April 2024

Dear Siân,

Thank you for forwarding the petition on behalf of Protect Shepherd's Bush Market, regarding the application for redevelopment of the market. The GLA's planning team confirms receipt of this correspondence and will record it as a petition in objection to the planning application.

The Council is still finalising details of the S106 agreement and has not yet referred the application back to the Mayor at Stage 2. Once the Council refers the application, the Mayor will make a decision as to whether to allow the Council to determine the application, call in the application for the Mayor's own determination, or to refuse the application.

As the application has not yet been referred, the Mayor cannot comment on the application in further detail at this stage, in order not to prejudice the decision. However, in making a decision, the Mayor will consider all representations received, in addition to a detailed assessment of the proposal by GLA planning officers.

Kind regards,

Katherine Wood

GLA Planning Team
