Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 30 April 2017. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

*For each of the council's public leisure centres, sports centres, swimming pools or lidos (whether operated directly or by contractors or partners) could you please state, for the most recent available year:*

- 1. The number of users in that year.*
- 2. Whether the changing facilities are single-sex or unisex.*
- 3. The number of complaints of sexual misconduct (harassment, voyeurism, assault, etc) made by users, whether or not a culprit was identified and whether or not the police were involved.*

The GLA is London's strategic government and does not operate in the same way as local councils. We do not own or manage any sports facilities and we therefore do not hold the information you have requested. In London you would need to contact the Borough Councils, including the City of London: <https://www.london.gov.uk/in-my-area>.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA300418-0752.

Yours sincerely

[REDACTED]

Information Governance Officer

If you are unhappy with the way the GLA has handled your request, you may complain using the GLA's FOI complaints and internal review procedure, available at: <https://www.london.gov.uk/about-us/governance-and-spending/sharing-our-information/freedom-information>
