

A GUIDE TO OPEN WATER SWIMMING IN LONDON

LOCATIONS TODAY

- 1 Hampstead Ponds
- 2 Highgate Pond
- 3 West Reservoir
- 4 Royal Docks
- 5 Serpentine
- 6 Canary Wharf
- 7 Beckenham Place
- 8 Greenland Dock

POSSIBLE LOCATIONS IN THE FUTURE*

The GLA is working on plans to identify and prioritise potential sites. Some ideas include:

- 9 Hackney Marshes
- 10 Teddington
- 11 Roding
- 12 Albany Reach

*These areas are currently too polluted and unsupervised to be safe. However, the Mayor is committed to exploring whether these locations could be made swimmable in the future. The tidal Thames is not safe to swim in.
