Dear Hina,

Thank you for the letter to the Mayor dated 19 January 2024 sent on behalf of Save Wimbledon Park campaigners, regarding the planning application at Wimbledon Park Golf Course (GLA refs: 2024/0045 (Merton) and 2024/0047 (Wandsworth)). The Mayor has asked me to respond on his behalf and my apologies for the delayed response.

To avoid any perception of bias the Mayor delegated the decision on this application to me in October last year, therefore I cannot comment on any of the matters you have raised. All the comments made and the matters raised in your letter will be taken into consideration by GLA officers in preparing the decision report. Please address any further concerns to the case officer Rohan Graham ([Rohan.Graham@london.gov.uk](mailto:Rohan.Graham@london.gov.uk)) and [planningsupport@london.gov.uk](mailto:planningsupport@london.gov.uk) (Administrative Support).

By way of update, GLA officers are in the process of undertaking their own assessment of this application before a Public Hearing takes place in the coming months. Further details on the application can be found via the following [link](#). This link will be updated with the Public Hearing date once this is confirmed.

Yours sincerely,

**Jules Pipe CBE**

Deputy Mayor for Planning, Regeneration and Skills
