

GREATER LONDON AUTHORITY

Our reference: MGLA131124-4777

28 November 2024

Dear

Thank you for your request for information which the Greater London Authority (GLA) received on 12 November 2024. Your request has been considered under the Environmental Information Regulations (EIR) 2004.

You requested:

1. Copies of any briefing, updates, emails or other written material provided to the Mayor and his Deputy Mayors regarding the fire on Dalston Lane on 5 June 2024.
2. Copies of any updates, minutes, emails or other written material between the GLA and the Peabody Housing Association regarding the fire on Dalston Lane on 5 June 2024.
3. The names and frequency of any regular stakeholder meetings hosted by the GLA attended by representatives of the Peabody Housing Association. If this request is too wide, please provide details of such meetings where members of the Peabody Housing Association senior leadership team attend.

Our response to your request is as follows:

Please note that the type of information you are seeking is more likely be held by the relevant local authority. The GLA holds information within part 3 of your request because our Housing and Land directorate hold regular meetings with Peabody (unrelated to parts 1 and 2 of your request) We do hold a general report about the fire which I have also attached:

1. Quarterly Meeting

Peabody

- Director, Development Programme and Partnerships
- Deputy Executive Director – Development
- Head of Programme and Procedure
- Programme Manager
- Procedure & Compliance Officer x 2

GLA

- Heather Juman - Head of Area, South London
- Senior Area Manager, South London
- Area Manager, South London

2. Fortnightly Operational Meeting

Peabody

- Director, Development Programme and Partnerships
- Head of Programme and Procedure
- Programme Manager
- Procedure & Compliance Officer x 2

GLA

- Heather Juman - Head of Area, South London
- Senior Area Manager, South London
- Area Manager, South London

Please note that some names of members of staff are exempt from disclosure under Regulation 13 (Personal information) of the EIR. Information that identifies specific employees constitutes as personal data which is defined by Article 4(1) of the General Data Protection Regulation (GDPR) to mean any information relating to an identified or identifiable living individual. It is considered that disclosure of this information would contravene the first data protection principle under Article 5(1) of GDPR which states that Personal data must be processed lawfully, fairly and in a transparent manner in relation to the data subject.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA131124-4777.

Yours sincerely

Information Governance Officer

If you are unhappy with the way the GLA has handled your request, you may complain using the GLA's FOI complaints and internal review procedure, available at:
