## REQUEST FOR MAYORAL DECISION – MD3346

### Title: Approval of 2025-26 Council Tax and Precepts and Communication to Council Taxpayers

#### Executive Summary:

The Mayor's Final Draft Budget for 2025-26 was considered at the meeting of the London Assembly held on 25 February 2025. The Assembly agreed no amendments and it therefore becomes the Greater London Authority's (GLA's) consolidated budget for that financial year. Approval of the budget allows the calculation of the GLA consolidated council tax requirement and precepts. The Mayor is asked in this decision form to agree these amounts and to the issuing of the formal precept notifications to the 33 London billing authorities (the 32 London boroughs and the Common Council of the City of London) as set out at Appendix A. They in turn will issue council tax bills typically from the beginning of March.

The Mayor is also asked to approve the explanatory supporting text in relation to the GLA budget and precept and associated calculations which will be circulated to the 33 council tax billing authorities in London so that they can make this available to council taxpayers directly or place on their websites. Two versions of the explanatory text have been prepared – a long version representing the GLA's preferred text and a short version which billing authorities may, at their discretion, use instead in order to reduce the cost of their council tax billing process. The two alternative versions are set out in Appendix B.

#### Decision:

The Mayor is requested to:

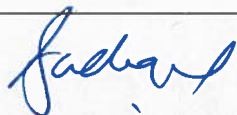

- i. Agree the calculations for 2025-26 for:
  - a) the amount of the consolidated council tax requirement for the Greater London Authority of £1,581,882,069.39 and the proposed Band D equivalent council tax precepts (£490.38 in the 32 London boroughs and £171.25 in the Common Council of the City of London)
  - b) the tax for different valuation bands
  - c) the amount of council tax collectable by each billing authority and payable to the GLA consistent with the consolidated council tax requirement approved without amendment by the London Assembly on 25 February 2025.
- ii. Agree to the issue of the GLA precept data for 2025-26 to the 33 council tax billing authorities (the 32 London boroughs and the Common Council of the City of London).
- iii. Approve both the alternative versions of the 2025-26 council tax explanatory text in respect of the GLA budget and precept to be issued to the 33 council tax billing authorities for communication to the occupiers of the circa 3.8 million domestic properties in London.

#### Mayor of London

I confirm that I do not have any disclosable pecuniary interests in the proposed decision and take the decision in compliance with the Code of Conduct for elected Members of the Authority.

The above request has my approval.

## PART I - NON-CONFIDENTIAL FACTS AND ADVICE TO THE MAYOR

### Decision required – supporting report

#### 1. Introduction and background

- 1.1 The Mayor's Final Draft Budget for 2025-26, with its supporting material, was considered at the meeting of the London Assembly held on 25 February 2025. The Assembly made no amendment to the budget, and it was therefore deemed to be approved unamended, and this budget is therefore the Authority's consolidated budget and council tax requirement for that financial year. Approval of the budget allows the calculation of the GLA council tax and precepts which must be notified to the 33 council tax billing authorities in London (the 32 London boroughs and the City of London) by 28 February 2025. This decision form asks the Mayor to approve the Band D council tax and precepts on the 33 London billing authorities for 2025-26 as set out in Appendix A.
- 1.2 The Mayor is also asked to approve the two alternative versions of the explanatory supporting information that the GLA will submit to the 33 billing authorities for the information of council taxpayers as set out in Appendix B for them to include with council tax bills or place on their website at their discretion.

#### 2. Objectives and expected outcomes

- 2.1 The Final Draft Budget set out the component budgets and council tax requirements for the GLA (Mayor & Assembly) and each functional body and the consolidated council tax requirement for the GLA Group. The purpose of this decision form is to request that the Mayor confirms the approved council tax requirements which are set out below.

<b>Constituent body</b>	<b>Component council tax requirement</b>
Mayor of London	£69,715,822.81
London Assembly	£2,811,903.84
Mayor's Office for Policing and Crime	£1,028,389,503.07
Transport for London	£249,160,536.86
London Fire Commissioner	£231,804,302.81
London Legacy Development Corporation	£0.00
Old Oak and Park Royal Development Corporation	£0.00
<b>Total consolidated council tax requirement</b>	<b>£1,581,882,069.39</b>

- 2.2 The first table in Appendix A sets out the statutory calculations under sections 88 and 89 of the Greater London Authority Act 1999 (the GLA Act) (as amended) for determining the two component parts of the Mayor's precept –
- The basic amount of council tax excluding the special item for the Mayor's Office for Policing and Crime (MOPAC), which applies in all 33 London billing authority areas. This is calculated by dividing the consolidated council tax requirement, excluding the MOPAC component, by the council tax base for the whole of the Greater London Authority area. This is calculated as £171.25.
  - The basic amount of council tax relating to the special item for MOPAC (which does not apply in the Common Council of the City of London, which has its own police force). This is calculated by dividing the council tax requirement for MOPAC by the council tax base for the Metropolitan Police District area (i.e. excluding the City of London). This is calculated as £319.13.

- 2.3 These amounts are added together to determine the Mayor's precept for the 32 London boroughs. For 2025-26 this is £490.38 for a Band D property. The precept applying in the area of the Common Council of the City of London, which is outside the Metropolitan Police District, is £171.25 for a Band D property.
- 2.4 The second table in Appendix A sets out the amount of council tax for each of the eight different valuation bands (A to H) applying in the 32 boroughs and the City of London. The third table sets out the amounts of the precept to be issued to each billing authority (i.e. their individual council taxbases for tax setting purposes multiplied by £490.38 in each of the 32 boroughs and £171.25 in the City of London). The net surplus or deficit adjusted for spreading will be added to or deducted from the precept amount shown when determining the actual instalments payable in 2025-26.
- 2.5 Appendix B contains two alternative versions of the explanatory information (i.e. the council tax leaflet text) for 2025-26 which will be issued to the 33 council tax billing authorities in London. The text provides an important opportunity for the Mayor and GLA to communicate with the occupiers of the estimated 3.8 million properties liable to council tax, London's estimated 316,000 non domestic ratepayers (who may also receive this information at the discretion of their billing authorities), as well as Londoners more generally, on the GLA Group's budget and priorities for the next financial year.
- 2.6 Depending on how each billing authority chooses to exercise their flexibilities under the Local Government Finance Act 2012 and the Council Tax (Administration and Enforcement) Regulations 1992 (as amended), this supporting information will either be circulated to council taxpayers directly alongside their bills (short or long version) or made available on billing authority websites. Where the supporting information is only made available on billing authority websites then taxpayers should be provided with the web address where it can be downloaded as part of the billing information they receive. Council taxpayers may also request a hard copy of the supporting information be supplied to them by post by the billing authority if its general policy is to provide this on their website only.
- 2.7 The long version represents the GLA's preferred text and the short version sets out a shorter summary text which billing authorities may, at their discretion, circulate instead as part of their billing material in order to reduce their administration costs including postage. Both versions comply with the requirements of the Council Tax (Demand Notices) (England) Regulations 2011 as amended. These regulations specify what information must be included in communications to council taxpayers from major precepting (i.e. the GLA in London), levying (e.g. the London Pensions Fund Authority, Environment Agency and Lee Valley Regional Park Authority in London), and billing authorities. Printing and billing deadlines mean that billing authorities require the leaflet information as soon as is practicable. The vast majority of council tax bills will be issued by post or (where previously requested) via email to taxpayers during March 2025.
- 2.8 It is proposed to publish the consolidated budget for the year and the component budgets for each constituent body for the next financial year by:
- placing the consolidated budget, the component budgets and the supporting explanation considered by the Assembly on 25 February 2025 on the GLA website
  - requesting that functional bodies place their budgets on their own websites
  - making copies available for inspection at City Hall.

### **3. Equality comments**

- 3.1 Under section 149 of the Equality Act 2010, public authorities, such as the GLA (Mayor and Assembly) and the five functional bodies, must have 'due regard' to the need to eliminate unlawful discrimination, harassment and victimisation and any other conduct prohibited by or under the Act as well as to the need to advance equality of opportunity and foster good relations between people who share a relevant protected characteristic and those who do not. This involves having due regard

to the need to remove or minimise any disadvantage suffered by those who share a relevant protected characteristic where that disadvantage is connected to that characteristic, taking steps to meet the different needs of such people; and encouraging them to participate in public life or in any other activity where their participation is disproportionately low.

- 3.2 The relevant protected characteristics under section 149 of the Equality Act are: age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex, and sexual orientation. Compliance with the duty may involve treating people with a protected characteristic more favourably than those without the characteristic. The duty has applied to the formulation and approval of the GLA's and functional bodies' individual budgets and component council tax requirements, and the Mayor's Final Draft Budget, approved without amendment. This decision form now seeks the approval of the precept calculations and issue of the GLA precept to the 33 billing authorities. As set out in Part 2 of the Final Draft Budget, the equality implications of each component body's budget is set out in each of their budget submissions.
- 3.3 Additionally, and complementarily, the Mayor is required by section 33(1) of the GLA Act to make appropriate arrangements with a view to securing that in the exercise of his general power in section 30 of the GLA Act and in the formulation and implementation of the Mayor's statutory strategies due regard is had to the principle that there should be equality of opportunity for all.
- 3.4 Compliance with the public sector equality duty is necessarily iterative and on-going. It includes carrying out a process at a level proportionate to the decision being taken to identify and actively consider potential detrimental impacts (if any) that may arise for individual protected groups and what mitigations (if any) could be implemented to address them. The GLA (Mayor and Assembly) and the functional bodies will continue to comply with the duty in the implementation of their individual budgets, strategies, policies, programmes and projects.

#### **4. Other considerations**

##### Links to Mayoral strategies

- 4.1 There are no direct implications in relation to any GLA strategies arising from performing the precept calculations that are required to be made in accordance with the GLA Act and the Local Government Finance Act 1992, as amended. Where relevant these were addressed in the Mayor's Draft and Final Draft Budgets presented to the Assembly.

##### Consultation arrangements

- 4.2 The Mayor issued guidance in July 2024 to the Greater London Authority and the functional bodies for preparing their budget submissions. The guidance sought to ensure that the Mayor's budget proposals were an accurate reflection of his priority aims and objectives within available resources.
- 4.3 The subsequent budget process itself involved:
- budget development by functional bodies and both parts of the GLA between July and November 2024
  - budget submissions scrutinised and approved by the functional bodies before formal submission to the Mayor in November 2024
  - the Mayor's draft budget proposals considered, prepared and issued for consultation on 4 December 2024
  - consultation undertaken on that document between 4 December 2024 and 3 January 2025
  - scrutiny by the Assembly's Budget and Performance Committee throughout the process

- the presentation of the Mayor's draft consolidated budget which was considered by the Assembly on 23 January 2025 and approved without amendment
- the presentation of the Mayor's Final Draft Budget which was approved without amendment by the Assembly on 25 February 2025.

4.4 The precepts and council tax requirements recommended for approval in this Decision are identical to those approved without amendment by the Assembly on 25 February 2025.

#### Risks

4.5 The Mayor's precept and council tax requirement have been considered and approved in accordance with the requirements of the GLA Act. The precept will be collected and enforced by the 33 London billing authorities in line with established practice and having regard to relevant legislation.

4.6 On the basis of the approved 'Referendums Relating to Council Tax Increases (Principles) (England) Report 2025/26', the council tax precept levels (on the basis of both the adjusted and unadjusted relevant basic amount of council tax) proposed by the Mayor in his Final Draft Budget, and approved by the Assembly, were determined to be compliant with the principles contained in that Report as they apply to the GLA. There will therefore be no requirement for a referendum to be held to approve the precept.

#### *Conflicts of interest*

4.7 There are no conflicts of interest to note from anyone involved in the drafting or clearance of this decision form.

### **5. Financial comments**

5.1 There are no specific financial implications in addition to those already included in the Final Draft Consolidated Budget documentation. The calculations set out in this Decision have been made in compliance with sections 85 to 89 of the GLA Act. The Authority must now issue the proper notices to the 32 London boroughs and the City of London to facilitate their own budget and council tax setting processes. The costs of billing and printing of supporting information (if applicable) are met by billing authorities – as this is a statutory function they are required to undertake.

### **6. Legal comments**

6.1 On 17 February 2025 the Mayor published his Final Draft Budget and supporting material. The Assembly considered the Mayor's Final Draft Budget at its meeting on 25 February 2025. No formal budget amendments were agreed and so the Final Draft Budget was deemed to be approved by the Assembly without amendment. In accordance with paragraph 8(6) of Schedule 6 to the GLA Act, that budget becomes the GLA's consolidated budget for the next financial year 2025-26.

6.2 Under paragraph 11 of Schedule 6 to the GLA Act, the Mayor must 'as soon as practicable' publish the GLA's consolidated budget for the year and the component budget for each constituent body for the year. This decision form constitutes approval for the publication of those budgets for this purpose. Copies of those budget documents must also be made available for inspection by the public at the GLA's principal office. It is noted above that the GLA will make the final budget available on its website.

### **7 Planned delivery approach and next steps**

7.1 Subject to the approval of this Mayoral Decision the timeline set out below will be followed.

Activity	Timeline
Final precept notifications and supporting explanatory information to be circulated to all 33 London billing authorities (statutory deadline)	By 28 February 2025
Subject to the billing authorities' local policies the supporting explanatory information will either be circulated by them to council taxpayers directly alongside their bills or a web address provided to council taxpayers where it can be downloaded from the billing authority website.	March 2025

## REQUEST FOR MAYORAL DECISION – MD3345

### Title: GLA Group Capital Spending Plan for 2025-26

#### Executive Summary:

The Mayor is required under sections 122 and 123 of the Greater London Authority Act 1999 (the “GLA Act” as amended) to prepare a capital spending plan for the following financial year for the five functional bodies; these are the London Fire Commissioner (LFC), the Mayor’s Office for Policing and Crime (MOPAC), the London Legacy Development Corporation (LLDC), Transport for London (TfL) and the Old Oak and Park Royal Development Corporation (OPDC). The Mayor is also required under section 123 of the GLA Act to send the plan for the forthcoming financial year to the Secretary of State for Housing, Communities and Local Government (MHCLG), the London Assembly and functional bodies before 28 February 2025. For completeness the capital spending plan for the core Greater London Authority is also included within this Decision so that the proposed capital expenditure for the entire GLA Group – as it will be constituted in 2025-26 – is presented and approved in one place.

The draft capital spending plan for 2025-26 was issued for consultation on 4 December 2024 alongside the Mayor’s Consultation Budget Document. Revised versions of the capital spending plan were presented in the Mayor’s draft consolidated budget for 2025-2026 which was considered by the Assembly on 23 January and final draft budget for 2025-26 which was considered by the Assembly and deemed approved without amendment on 25 February.

A copy of the final approved capital spending plan for 2025-26 will be placed on the GLA website at: [www.london.gov.uk/budget](http://www.london.gov.uk/budget).

#### Decision:

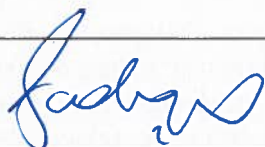

The Mayor is requested to approve the Capital Spending Plan for 2025-26 for the GLA Group and to note that the approved plan will be sent to the Secretary of State for Housing, Communities and Local Government, the London Assembly and each functional body before 28 February 2025.

#### Mayor of London

I confirm that I do not have any disclosable pecuniary interests in the proposed decision, and take the decision in compliance with the Code of Conduct for elected Members of the Authority.

The above request has my approval.

## **PART I - NON-CONFIDENTIAL FACTS AND ADVICE TO THE MAYOR**

### **Decision required – supporting report**

#### **1. Introduction and background**

- 1.1 The Mayor is required to prepare a capital spending plan for each financial year for the functional bodies and to send it to the Secretary of State (for Housing, Communities and Local Government), the London Assembly and functional bodies before 28 February in the financial year preceding that to which the capital spending plan relates in accordance with section 123 of the GLA Act. This report seeks the Mayor's approval for the capital spending plan for 2025-26.

#### **2. Objectives and expected outcomes**

- 2.1 The draft capital spending plan for 2025-26 was issued for consultation on 4 December 2024 as part of the Mayor's Consultation Budget. The responses to the consultation received, including from the Budget and Performance Committee of the London Assembly, were noted by the Mayor and taken into account before he finalised his budget and capital spending plan for 2025-26.
- 2.2 The capital spending plan figures in the Final Draft Budget considered by the Assembly at its plenary meeting on 25 February 2025 included revised capital expenditure figures for the GLA and MOPAC. The final capital spending plan for 2025-26 proposed for approval is unchanged from the version considered by the Assembly on 25 February. Under section 123 of the GLA Act the capital spending plan must be sent to the Secretary of State, the London Assembly and each functional body before 28 February.
- 2.3 The borrowing limits and statutory prudential indicators for 2025-26 which the Mayor is required to set for the GLA and functional bodies will be submitted for approval by the Mayor before the end of March 2025 as part of the approval of the wider Treasury Management Strategy.
- 2.4 A copy of the final approved capital spending plan for 2025-26 will be placed on the GLA website at: [www.london.gov.uk/budget](http://www.london.gov.uk/budget).

#### **3. Equality comments**

- 3.1 As public bodies, the GLA and the functional bodies must comply with section 149 of the Equality Act 2010, which provides for the "public sector equality duty". This duty requires each public body to have due regard to the need to eliminate unlawful discrimination, harassment and victimisation and any other conduct that is prohibited by or under the Act, to advance equality of opportunity, and to foster good relations between people who share a relevant protected characteristic and those who do not.
- 3.2 The relevant protected characteristics covered by section 149 are: age; disability; gender reassignment; pregnancy and maternity; race; sex; religion or belief; and sexual orientation. Compliance with the duty may involve, in particular, removing or minimising any disadvantage suffered by those who share a relevant protected characteristic, taking steps to meet the needs of such people and encouraging them to participate in public life or in any other activity where their participation is disproportionately low, including tackling prejudice and promoting understanding. In limited circumstances this may involve treating people with a protected characteristic more favourably than those without the characteristic.
- 3.3 The duty has applied to the formulation and approval of the GLA's and functional bodies' individual budgets and capital spending plans. As set out in Part 2 of the Final Draft Budget, the equality implications of each component body's budget is set out in each of their budget submissions.

- 3.4 How the GLA Group capital spending plan for 2025-26 will impact on persons who share a relevant protected characteristic will be dependent on the specific decisions of the GLA and the functional bodies in regard to their individual capital programmes. In exercising their functions, including when making policy and spending decisions, the bodies are required to comply with the public sector equality duty. Compliance is necessarily iterative and on-going. It includes carrying out a process to identify and actively consider potential detrimental impacts (if any) that may arise for individual protected groups and what mitigations (if any) could be implemented to address them at a level proportionate to the decision being taken. The GLA and functional bodies will continue to comply with the duty at a budget and capital spending plan level, and in the implementation of their individual strategies, policies, programmes, projects and expenditure.

#### **4. Other considerations**

##### *Consultation responses*

- 4.1 As set out above, the Mayor consulted on the 2025-26 budget – including the capital spending plan – with the London Assembly, London boroughs, the Corporation of London and other key stakeholders between 4 December 2024 and 3 January 2025. The consultation was placed on the GLA's website and sent to the bodies mentioned above.
- 4.2 The Mayor has considered the comments from respondents to the consultation including the London Assembly Budget and Performance Committee and taken them into account before finalising his capital spending plan for 2025-26.

##### *Risks*

- 4.3 There are no further implications for risk management as these have been addressed as part of the budgetary process.

##### *Conflicts of interest*

- 4.4 There are no conflicts to declare from anyone involved in the drafting or clearance of this decision form.

#### **5. Financial comments**

- 5.1 These are highlighted so far as they are relevant in the capital spending plan for 2025-26.

#### **6. Legal comments**

- 6.1 The Mayor is required under sections 122 and 123 of the Greater London Authority Act 1999 ("the GLA Act") to prepare a capital spending plan (the Plan) for each functional body which must be sent to the Secretary of State, the London Assembly and each functional body before 28 February. Section 122 of the GLA Act sets out the required contents of Sections A to D of the Plan in terms of estimates of receipts, borrowing and expenditure, and this appears in Table 1 of the Plan.
- 6.2 In preparing the Plan the Mayor may take into account such factors as appear to him to be appropriate and the other matters listed in section 124 of the GLA Act. These are: (1) the minimum amount of grant which the GLA is to pay to the body for the year under section 120 of the GLA Act and (2) the amounts to be transferred to the body under section 32(5) of the Local Government Act 2003 (Mayor's power to transfer expenditure grant made under section 31).
- 6.3 In particular the Mayor may take account of: (a) the capital spending plans for such financial years which have ended as he may determine; and (b) the amounts of each functional body's total capital spending specified in section C of each of those plans which have been met as follows: the amount

met out of capital grants made to the body; the amount met out of grants under section 31 of the Local Government Act 2003 (expenditure grant) made to the body; the amount met out of the body's capital receipts; the amount met by borrowing or entering into or varying credit arrangements; and the amount met by making a charge to a revenue account.

- 6.4 The Mayor fulfilled the requirement to consult the Assembly and each functional body between 4 December 2024 and 3 January 2025. The Mayor must consider and take into account their comments (if any) before determining the final Plan. The final capital spending plan for the forthcoming financial year must be approved before 28 February, when copies must be sent to the Secretary of State, the Assembly and functional bodies, and a copy must be kept at City Hall for inspection by the public for the next six years beginning with the date of publication.

## 7. Planned delivery approach and next steps

Activity	Timeline
In accordance with the GLA Act the capital spending plan for 2025-26 will be sent to the Secretary of State for Housing, Communities and Local Government, London Assembly and the functional bodies <i>before</i> 28 February.	27 February 2025 (last working day to meet 'before 28 February' statutory deadline)
