Dear Pippa

## **The Committee's investigation into public order policing**

Many thanks for the Met's response to our April 2025 report: ***Public order policing – the Met's approach.***

The Committee really appreciates the Met's engagement with our report, and welcomes clarification on several points and recommendations.

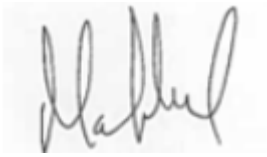

The Committee would be grateful if the Met could provide the following information:

- Further details of the Met's internal campaign to encourage greater sign up to public order training at level 2 that the Met states is already in place, mentioned in response to Recommendation 5.
- Further details of the mental health support the Met states it is providing for officers who have undertaken extensive public order duties, mentioned in response to Recommendation 6.
- Further details of the scope, remit and findings, and a copy of the review into Operation Enable covering 2024/25, which the Met states has already been completed, in response to Recommendation 9.

I would be grateful if you could send your response to Philip Lewis at [Philip.lewis@london.gov.uk](mailto:Philip.lewis@london.gov.uk) by 25 July 2025. The Committee will publish your response so that there is transparency about what the Committee has received.

Please contact Philip Lewis if you have any questions about the investigation.

Yours sincerely,
