

GREATER LONDON AUTHORITY

REQUEST FOR MAYORAL DECISION – MD3473

GLA Group Capital Spending Plan for 2026-27

Executive Summary:

The Mayor is required under sections 122 and 123 of the Greater London Authority Act 1999 (the "GLA Act" as amended) to prepare a capital spending plan for the following financial year for the six functional bodies; these are the London Fire Commissioner (LFC), the Mayor's Office for Policing and Crime (MOPAC), the London Legacy Development Corporation (LLDC), Transport for London (TfL), the Old Oak and Park Royal Development Corporation (OPDC) and the Oxford Street Development Corporation (OSDC).

The Mayor is also required under section 123 of the GLA Act to send the plan for the forthcoming financial year to the Secretary of State for Housing, Communities and Local Government (MHCLG), the London Assembly and functional bodies before 28 February 2026. For completeness the capital spending plan for the core Greater London Authority (GLA) is also included within this Decision so that the proposed capital expenditure for the entire GLA Group – as it will be constituted in 2026-27 – is presented and approved in one place.

The draft capital spending plan for 2026-27 was issued for consultation on 3 December 2025 alongside the Mayor's Consultation Budget Document. To note that given the Oxford Street Development Corporation (OSDC) was not established until 1 January 2026, its draft capital spending plan was not provided as part of this consultation. Revised versions of the capital spending plan (which included the OSDC's draft capital spending plan) were presented in the Mayor's draft consolidated budget for 2026-27 which was considered by the Assembly on 29 January and final draft budget for 2026-27 which was considered by the Assembly and deemed approved without amendment on 26 February.

A copy of the final approved statutory capital spending plan for 2026-27 is included at Appendix A and forms part of the Mayor's approved budget which will be set out on the GLA website at: www.london.gov.uk/budget.

Decision:

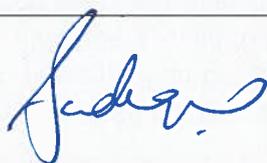

The Mayor is requested to approve the Capital Spending Plan for 2026-27 for the GLA Group as set out at Appendix A and to note that the approved plan will be sent to the Secretary of State for Housing, Communities and Local Government, the London Assembly and each functional body before 28 February 2026.

Mayor of London

I confirm that I do not have any disclosable pecuniary interests in the proposed decision, and take the decision in compliance with the Code of Conduct for elected Members of the Authority.

The above request has my approval.

PART I - NON-CONFIDENTIAL FACTS AND ADVICE TO THE MAYOR

Decision required – supporting report

1. Introduction and background

- 1.1 The Mayor is required to prepare a capital spending plan for each financial year for the functional bodies and to send it to the Secretary of State (for Housing, Communities and Local Government), the London Assembly and functional bodies before 28 February in the financial year preceding that to which the capital spending plan relates in accordance with section 123 of the GLA Act. This report seeks the Mayor's approval for the capital spending plan for 2026-27.

2. Objectives and expected outcomes

- 2.1 The draft capital spending plan for 2026-27 (excluding the proposed plan for the Oxford Street Development Corporation (OSDC) which was not established until 1 January 2026) was issued for consultation on 3 December 2025 as part of the Mayor's Consultation Budget. The responses to the consultation received, including from the Budget and Performance Committee of the London Assembly, were noted by the Mayor and taken into account before he finalised his budget and capital spending plan for 2026-27 (which included the capital spending plan for OSDC).
- 2.2 The capital spending plan figures in the Final Draft Budget considered by the Assembly at its plenary meeting on 26 February 2026 included revised capital expenditure figures for the GLA and MOPAC and the proposed capital spending plan for the OSDC. The final capital spending plan for 2026-27 proposed for approval is unchanged from the version considered by the Assembly on 26 February. Under section 123 of the GLA Act the capital spending plan must be sent to the Secretary of State, the London Assembly and each functional body before 28 February.
- 2.3 The borrowing limits and statutory prudential indicators for 2026-27 which the Mayor is required to set for the GLA and functional bodies will be submitted for approval by the Mayor before the end of March 2026 as part of the approval of the wider Treasury Management Strategy.
- 2.4 A copy of the statutory capital spending plan for 2026-27 is set out at Appendix A and forms part of the Mayor's approved budget which will be set out on the GLA website at www.london.gov.uk/budget.

3. Equality comments

- 3.1 As public bodies, the GLA and its functional bodies must comply with the "public sector equality duty" under section 149 of the Equality Act 2010. This duty requires each public body to have due regard to the need to eliminate unlawful discrimination, harassment and victimisation and any other conduct that is prohibited by or under the Equality Act 2010, to advance equality of opportunity, and to foster good relations between people who share a relevant protected characteristic and those who do not.
- 3.2 The relevant protected characteristics covered by section 149 are: age; disability; gender reassignment; pregnancy and maternity; race; sex; religion or belief; and sexual orientation. Compliance with the duty may involve, in particular, removing or minimising any disadvantage suffered by those who share a relevant protected characteristic, taking steps to meet the needs of such people and encouraging them to participate in public life or in any other activity where their participation is disproportionately low, including tackling prejudice and promoting understanding. In limited circumstances this may involve treating people with a protected characteristic more favourably than those without the characteristic.

- 3.3 The duty has applied to the formulation and approval of the GLA's and functional bodies' individual budgets and capital spending plans. As set out in Part 2 of the Final Draft Budget, the equality implications of each component body's budget is set out in each of their budget submissions.
- 3.4 How the GLA Group capital spending plan for 2026-27 will impact on persons who share a relevant protected characteristic will be dependent on the specific decisions of the GLA and the functional bodies in regard to their individual capital programmes. In exercising their functions, including when making policy and spending decisions, the bodies are required to comply with the public sector equality duty. Compliance is necessarily iterative and on-going. It includes carrying out a process to identify and actively consider potential detrimental impacts (if any) that may arise for individual protected groups and what mitigations (if any) could be implemented to address them at a level proportionate to the decision being taken. The GLA and functional bodies will continue to comply with the duty at a budget and capital spending plan level, and in the implementation of their individual strategies, policies, programmes, projects and expenditure.

4. Other considerations

Consultation responses

- 4.1 As set out above, the Mayor consulted on the 2026-27 budget (excluding the proposed capital spending plan for the OSDC which was not established until 1 January 2026 and its budget submission was published on 14 January 2026) – including the capital spending plan – with the London Assembly, London boroughs, the Corporation of London and other key stakeholders between 3 December 2024 and 4 January 2025. The consultation was placed on the GLA's website and sent to the bodies mentioned above.
- 4.2 The Mayor has considered the comments from respondents to the consultation including the London Assembly Budget and Performance Committee and taken them into account before finalising his capital spending plan for 2026-27.

Risks

- 4.3 There are no further implications for risk management as these have been addressed as part of the budgetary process.

Conflicts of interest

- 4.4 There are no conflicts to declare from anyone involved in the drafting or clearance of this decision form.

5. Financial comments

- 5.1 These are highlighted so far as they are relevant in the capital spending plan for 2026-27.

6. Legal comments

- 6.1 The Mayor is required under sections 122 and 123 of the GLA Act to prepare a capital spending plan (the Plan) for each functional body which must be sent to the Secretary of State, the London Assembly and each functional body before 28 February. Section 122 of the GLA Act sets out the required contents of Sections A to D of the Plan in terms of estimates of receipts, borrowing and expenditure, and this appears in Table 1 of the Plan.
- 6.2 In preparing the Plan the Mayor may take into account such factors as appear to him to be appropriate and the other matters listed in section 124 of the GLA Act. These are: (1) the minimum amount of grant which the GLA is to pay to the body for the year under section 120 of the GLA Act

and (2) the amounts to be transferred to the body under section 32(5) of the Local Government Act 2003 (Mayor's power to transfer expenditure grant made under section 31).

- 6.3 In particular the Mayor may take account of: (a) the capital spending plans for such financial years which have ended as he may determine; and (b) the amounts of each functional body's total capital spending specified in section C of each of those plans which have been met as follows: the amount met out of capital grants made to the body; the amount met out of grants under section 31 of the Local Government Act 2003 (expenditure grant) made to the body; the amount met out of the body's capital receipts; the amount met by borrowing or entering into or varying credit arrangements; and the amount met by making a charge to a revenue account.
- 6.4 The Mayor fulfilled the requirement to consult the Assembly and each functional body between 3 December 2025 and 4 January 2026 (noting that the proposed capital spending plan for the OSDC was included in the draft GLA Budget). The Mayor must consider and take into account their comments (if any) before determining the final capital spending plan. The final capital spending plan for the forthcoming financial year must be approved before 28 February, when copies must be sent to the Secretary of State, the Assembly and functional bodies, and a copy must be kept at City Hall for inspection by the public for the next six years beginning with the date of publication.
