Dear Colleagues,

We hope this message finds you well.
We are reaching out with some bits of information which may be helpful to you in the coming weeks.

1. Reporting 24/25
We'd love to hear from you – please book in a mid-year meeting with us. We know delays happen, especially around this time of year, but it's really important to check in on your project's progress before we open the next funding round. (Attached is the mid-year reporting form)

2. Funding for 25/26
Our current assumption is that funding for SNBs will remain the same and in 25/26, we will be looking at a funding deadline of the end of April, we will be able to confirm further details in the new year.
Please start your processes around bidding and selection. Please note, a transparent approach to managing public funds is essential, especially for building trust with your community. We recommend keeping a record to show the rationale behind funding decisions, please also document bid selection in meeting minutes and consider a declaration for conflict of interests. Going forward these practices will be mandatory for receiving funding in the 25/26 period.

3. Police and Crime Plan Consultation
At the beginning of each mayoralty the mayor must produce a Police and Crime Plan laying out his plans for this area during his mayoralty. As part of this process the mayor consults with Londoners on what they want to see in this plan. We would like to invite you to consultation event for those who volunteer with us, we will be hosting an online session on Thursday 9th January 2024, 18:00-19:30. Please confirm via email if you would like to attend.

4. Terms of Reference and Code of Conduct
Additionally, we are also sending round some guidance documents which may be useful to you. Please see attached the template for a Terms of Reference (ToR) and Code of Conduct. Please reach out if you'd like advice on specific issues.

Your commitment to these practices is deeply appreciated and critical in maintaining our shared goals of safety and accountability. Please don't hesitate to reach out with any questions; we look forward to continuing our work together.

Warm regards,

Alice & Chervonne
