

Sustainable Development Impact Assessment Checklist

Project Name/ Policy Name & No: PN0502 Chemical protective clothing - technical information.

Contact Person: StnO Alan Bach Sheridan.

Date completed: 08/10/2025

Please send through the completed checklist with a copy of the project PID or the draft policy to environment@london-fire.gov.uk. For existing policies undergoing minor amendments, please send through a marked up copy of the policy, with the original SDIA.

Other impact assessments completed				Yes	No
1. Has an Equalities Impact Assessment been completed?				☒	☐
2. Has a Health, Safety and Wellbeing assessment been completed?				☒	☐
Environmental Impacts					
3. Will this consume any of the following (please tick those that apply and state how and if this would increase or decrease our consumption):					
Gas	☐	Electricity	☐	Water	☐
Petrol or diesel	☐	Hazardous chemicals	☐	Other natural resources e.g. timber	☐
Comments: This policy describes the use and technical details of the operational GTCPS and LTS. No new processes or systems are specified in this document.					
4. Will this produce or reduce our production of (please tick those that apply and describe what and how):					
Non-hazardous waste	☐	Hazardous waste (see PN 862)	☐	pollutants to air, land or water?	☐
Comments: N/A					
5. Will this impact (positively or negatively):				Yes	No
a. Operational/business travel by staff				☐	☒
b. Travel/deliveries by our suppliers				☐	☒
c. Environmental protection at incidents				☐	☒
d. a Site of Special Scientific Interest				☐	☒
e. Gardens or other wildlife at stations/brigade sites (e.g. nesting birds or bats)				☐	☒
Comments: N/A. Click here to enter text.					

Procurement	Yes	No
6. Will this result in the purchase of goods, services or works or influence how they are procured?	☐	☒
f. Is this for a purchase of greater than £1m?	☐	☐
g. Will this use/result in a tender for manufactured goods such as electronics, textiles, and building materials?	☐	☐
h. Will this service require low skilled/low paid employees?	☐	☐
i. Will the goods consume utilities or consumables?	☐	☐
j. Does this involve major works taking place?	☐	☐
k. If so are BREEAM and Ecological surveys required?	☐	☐
l. Will this support future cost avoidance?	☐	☐
m. Could all or part of the purchase be provided by small or local businesses?	☐	☐
n. Could this be delivered by a voluntary/community sector organisation?	☐	☐
o. Has a Request For Tender been submitted to Procurement through hotwire?	☐	☐
Comments: Click here to enter text.		

For the SD Team to complete:

Policy sustainability risk rating: High

Inputs/outputs/ impacts to address in Full SDIA: This SDIA was previously categorised as 'High' due to the chemicals/contamination risk. As there is little changes to the policy, it will remain high risk and a full SDIA is required.

Date completed: 08/10/2025 EW

Full SDIA Template

Name or Title of Policy/Project and Reference Number (if available):		
PN0502 Chemical protective clothing - technical information		
Purpose of Policy/Project:		
This policy describes the use and technical details of the operational GTCPS and LTS. No new processes or systems are specified in this document.		
What are the potentially negative impacts or benefits against the 6 areas of LFB's sustainability framework?		Have any opportunities for improvement or reducing negative impacts been identified?
Equalities and Social Inclusion	N/A	
Climate Change	N/A	
Environment & Its Resources	N/A	
Community Safety	N/A	
Health, Safety & Wellbeing	Lack of application of the information and/or procedures as specified in this document may result in death or serious injury to operational personnel.	The information and procedures specified in this document form part of the safe systems of work that have been implemented to reduce or eliminate potential hazards and risk to operational personnel.
Economic Sustainability	N/A	
What evidence or information has helped to indicate what the potential impacts will be? Did you seek any further advice or guidance from any internal or external sources, and if so how have they contributed?		
Internal information provided by RPE department.		
How will any changes be implemented?		
Changes already implemented. Changes to policy provide greater clarity to existing technical information and procedures.		
Is a Procurement to take place as part of the policy/project?		
~~Yes~~ /No- if yes, please detail
