

MGLA221119-7598 Freedom of Information request - High rise building planning applications

Thank you for your email which was received by the Greater London Authority on 21st November 2019.

Our response to your request is as follows:

For 2019 please send me:

A list of high rise building planning applications submitted to the council with the intended purpose of student housing (excel spreadsheet)*

The planning application submitted to the council for each high rise building intended for student housing (.pdf format)*

For 2018 please send me:

A list of high rise building planning applications submitted to the council with the intended purpose of student housing (excel spreadsheet)*

The planning application submitted to the council for each high rise building intended for student housing (.pdf format)*

For 2017 please send me:

A list of high rise building planning applications submitted to the council with the intended purpose of student housing (excel spreadsheet)*

The planning application submitted to the council for each high rise building intended for student housing (.pdf format)*

**Please note, a high rise building refers to any building five stories or above.*

Attached is a list of referable stage 2 planning applications to the Mayor that contain student accommodation from 2017 to the end of the second calendar quarter of 2019. This list only includes applications that were directly referable to the Mayor under the Town and Country Planning (Mayor of London) Order 2008. Please note that not all buildings that are 5 stories are referable to the Mayor.

The list of stage 2 applications includes both applications that have been recommended for approval by the Mayor and a recommendation to refuse. However, this list does not include any applications that were not referred to the Mayor at Stage 2. More information on these applications can be found at:

<https://www.london.gov.uk/what-we-do/planning/planning-applications-and-decisions/planning-application-search>

We currently do not hold any collated data on the applications more recent than the second quarter of 2019. The attached list includes the maximum number of floors within the development.

If you have any further questions relating to this matter, please contact me, ensuring that you quote the reference at the top of this email.

Yours sincerely
