Many thanks for your email regarding NRMM in London. I have been asked to respond as I work in the Air Quality Team at City Hall.

Full details about the Non Road Mobile Machinery Scheme can be found on our scheme website here: <a href="https://nrmm.london/">https://nrmm.london/</a>.

Additional details about the requirement for constant speed engines (such as generators) to be compliant with Stage V emissions standards can also be found in the NRMM exemptions policy, available to download from the scheme website here: <a href="https://nrmm.london/content/nrmm-exemption-policy">https://nrmm.london/content/nrmm-exemption-policy</a>

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this email.

Yours sincerely

## **GLA Air Quality Team**

If you are unhappy with the way the GLA has handled your request, you may complain using the GLA's FOI complaints and internal review procedure, available at:
