Dear Adam

I am writing regarding your request for information which the GLA received on the 21 April 2015. In that request you asked us for

With regards to the proposed Royal Albert Dock Regeneration with Advanced Business Park headed by Weiping Xu;

- (i) How much has GLA spent on business dealings concerning the above within the last three years?
- (ii) What is the retail/rent value of the proposed 35 acre-site and where does this estimate come from?
- (iii) Under the proposed regeneration contract, how much is the site being rented for?
- (iv) Can all the respective organisations and subsidiary bodies involved in this contract be listed?

i) Between April 2012 & April 2015 the GLA spent £544,000 dealing with the procurement and management of the Royal Albert Dock Project.

ii) Please can you clarify what you mean by retail/rent value?

iii) The only part of the site currently being rented by ABP is Compressor House - an office building within the site. This is being rented for £48,000 per annum.

iv) The companies party to the development agreement on the Royal Albert Dock site are: GLA Land & Property Limited, ABP (London) Investment Limited & Dauphin Holdings Group Limited.

Kind regards

If you are unhappy with the way the GLA has handled your request, you may complain using the GLA's FOI complaints and internal review procedure, available at:
