Our response to your request is as follows:

Your request refers to 'council housing departments'. The GLA is London's strategic government and does not operate in the same way as local Borough Councils and you would need to contact the individual local Borough Councils: [In my area | London City Hall](#)

For more information on the work of our Housing & Land directorate please visit [Housing and land | London City Hall](#)

Our spending reports for payments of £250 or more are available on our website: [Our spending | London City Hall](#)

You can filter the results by Directorate and Expenditure Account Code Description column for relevant information about consultancy spend. The report also contains company names allowing you to also search on that basis.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely
