Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 4 July 2019 concerning GLA contracts data. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

I hope you can be of assistance. I'm trying to find data on the GLA's contracts, which is supposed to be on Contracts Finder, but I cannot find anything on that platform. I've just emailed Contracts Finder to see if it's a technical problem with their side, but thought it'd be prudent to drop the GLA a line too in order to check if it's an issue at your end. If there's anything you can provide to clarify the situation it would be much appreciated

Transport for London (TfL) manages how GLA's goods and services are procured. Please visit TfL's links below for the information we hold within the scope of your request.
