Dear [REDACTED]

Thank you for your request for information which the GLA received on 3 June 2019. Your request has been dealt with under the Environmental Information Regulations (EIR) 2004.

You have requested unredacted versions of the following information¹ you received in January 2018:

- *The finalised bid for Housing Zone funding submitted by Royal Borough of Kingston (RBK) at the end of 2016.*
- *The Overarching Borough Agreement (OBA) that RBK entered into with the GLA.*
- *The Borough Intervention Agreement (BIA) and Affordable Housing Grant Agreement (AHGA) RBK entered into with the GLA.*

You have also asked for RBK's bid for Building Council Homes for Londoners funding (BCHfL) and the agreement between RBK and the GLA for that funding, in addition to any supporting documents provided by RBK. Please find attached a copy of the Funding allocation letter and Funding agreement.

RBK was awarded £67,844,000 to deliver 713 new affordable homes under the BCHfL in October 2018. Further detail including the prospectus is provided in the link along with details of contracting: <https://www.london.gov.uk/what-we-do/housing-and-land/increasing-housing-supply/building-council-homes-londoners#acc-i-54619>

You have provided the following rationale in support of your request for unredacted versions of the finalised bid for Housing Zone funding, OBA, BIA and AHGA:

RBK has now awarded the contract to Countryside Properties Ltd, so there is no longer any risk that the publication of that information could disadvantage RBK in the way you previously asserted it might and you should now provide the documents without any redactions.

¹ <https://www.london.gov.uk/about-us/governance-and-spending/sharing-our-information/freedom-information/foi-disclosure-log/eir-cambridge-road-estate-housing-zone>

In our previous response, we advised you that:

Although GLA funding of £46.2m has been allocated, this housing zone has a completions deadline of 31 March 2026, during which the principal focus of RBK's proposal is regeneration of its Cambridge Road estate by means of demolition and rebuilding, so most of the outputs will be completed in phases until that date.

If we were to issue the unredacted bid, OBA, BIA and AHGA would reveal details of estimated property values and also the dates for repayment of funds and milestones for start on site and completion. Disclosure of this information could create a real and significant risk of prejudice to RBK's negotiations of property acquisitions with individual owners on the estate. We therefore maintain the application of Regulation 12(5)(e) in respect of the redactions in place on the documents we disclosed to you.

Please note that an annex to the allocation letter containing a list of the individual schemes and the Funding Application for the Cambridge Road Estate regeneration project are also exempt from disclosure under Regulation 12(5)(e) of the EIR.

The purpose of Regulation 12 (5)(e) is to protect any legitimate economic interests underlying commercial confidentiality. The redacted sections within RBK's proposals for the regeneration of the Cambridge Road estate, the OBA, BIA and AHGA include details of costs, density, funding, purchase and timing. The Funding application also contains commercially sensitive information relating to RBK's cost assumptions. The information is therefore commercial in nature.

The HZ Prospectus undertook to treat bids and allocations as commercially confidential, so a duty of confidence arises. Disclosure would harm the legitimate economic interests of RBK in relation to its ongoing commercial position with individual owners on the estate. The confidentiality of this information is therefore required to protect the legitimate economic interests of the partnership.

In applying these exceptions, we have assessed a balance between the public interest in withholding and disclosing the information.

We acknowledge that there is a public interest in transparency in relation to the way the GLA allocates funds to increase affordable housing supply and providing information held by public authorities is in keeping with both the GLA's and the Government's transparency policies.

However, we maintain that it is not in the public interest for the GLA to release information that would prejudice the commercial interests of RBK.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely

Senior Area Manager South

GREATER LONDON AUTHORITY

Housing & Land

Roy Thompson,
Chief Executive,
Royal Borough of Kingston upon Thames

Date: 23 October 2018

Dear Roy,

Building Council Homes for Londoners – allocation subject to contract

Thank you for the ambition shown by your organisation to deliver a new generation of council homes in London. I am pleased to confirm that the GLA would like to offer you an affordable housing grant allocation, as set out in annex one. This is subject to contract.

You will be contacted in the next few days to commence the contracting process, which will be on the basis of standard-form grant agreements. We expect to conclude the contracting process this calendar year and I would be grateful for your assistance in ensuring it can happen as quickly as possible.

Unfortunately, we were not able to support your ambitions in full at this stage, but we will continue to work with you and your teams to support your overall ambition. This could include supporting specific interventions in priority areas to unlock and accelerate certain developments and lobbying central Government for additional resources to support a significant increase in the delivery of genuinely affordable homes, including proper council homes.

It is vital that our teams continue to work closely together to build as many new council homes in London as possible. The Mayor has listened to councils and is backing up the *Building Council Homes for Londoners* programme and the other policies in his London Housing Strategy and new draft London Plan with the Homebuilding Capacity Fund (announced last week) to support councils to invest in the staff and the skills they require to deliver for Londoners. Through the fund, the GLA will make revenue funding available for 2019-20 and 2020-21 to support four priorities:

- Delivering a new generation of council homes.
- Increasing housing supply by supporting the development of small sites.
- Proactive planning in areas with significant growth potential.
- Ensuring optimal density of new residential developments.

Further details about the bidding process for the Homebuilding Capacity Fund are available on the GLA's website at the following link: <https://www.london.gov.uk/homebuilding-capacity-fund>

Yours sincerely,

Heather Juman

To: Greater London Authority (the **GLA**)

Dear Sirs,

Legal Opinion re Grant Agreement and related matters

I refer to the proposed Grant Agreement to be entered into between [] (the **Council**) and the GLA (the **Agreement**) for the purposes of, inter alia, providing affordable housing which is dated on or about the date hereof. In connection with the giving of this opinion, I have examined:

- (a) the Agreement in its final form prior to execution and delivery thereof by the Council;
- (b) the Council's Standing Orders for approving entry into and the execution and delivery of deeds by the Council and for the delegation of its authority and the powers of the Council's Executive;
- (c) such other documents I consider appropriate for the purposes of giving this opinion.

I do not express any opinion as to, nor have I investigated the law of any jurisdiction other than England.

I am of the opinion that, as at the date hereof, as a matter of English law, the Council has the power and authority to enter into, observe and perform the terms and obligations on its part to be observed and performed by it under the Agreement and has taken all necessary action and has obtained all relevant consents and approvals (statutory or otherwise) to authorise the execution and delivery of the Agreement and the performance and validity of the obligations under it.

Neither the execution and the delivery of, nor the performance by the Council of its obligations under the Agreement will violate any provisions of any existing application law, rule, regulation or

agreement binding on the Council, and the Agreement constitutes a valid and legally binding obligation on the Council enforceable in accordance with its terms. I have given this opinion, taking into account the common law and statutory duties applicable to the exercise of power by the Council.

The above opinions are subject to the reservation that under English law, the power of the court to order or pursue performance of an obligation and any other equitable remedies is discretionary and, accordingly, an English court might make an award of damages where specific performance of an obligation at work or remedy is sought.

This opinion is given by virtue of my position as Solicitor to the Council and is only given as the holder of that office. I am not giving this opinion in a personal capacity, nor do I accept any private or personal liability for any error or omission in it or which may arise therefrom and the recipient, in seeking to place reliance on the contents of this letter, must duly acknowledge the same if any error or omission is later to be found. This opinion is addressed to the GLA and is solely for its benefit. It may not be disclosed to or relied upon by any other person or made public in any way without my prior consent. This opinion is limited to matters addressed herein and is not to be read as an opinion with respect to any other matter.

Yours faithfully

Council Solicitor
