

Dear [REDACTED]

Thank you for your enquiry and request.

OPDC can confirm that the contract for the Vision & Mission work was awarded to Pollitt & Partners.

Unfortunately, due to property rights, OPDC cannot share the successful bid documents with you.

The team would, however, be happy to share learnings on what the successful agency did and could have done even better as part of the bid; and what other agencies could have done better.

Ultimately the pitch documents belong to the selected agency and it's their property, so OPDC is restricted in its ability to share these with other parties.

Thanks in advance for your understanding and cooperation.

Kind regards,

OPDC Communications and Engagement team
