15 March 2019

Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 5 March 2019. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

Who is the responsible for Healthy and Safety within the council and what is their job title?
Does the council have a dedicated Health and Safety Manager and if so what is their name?
Does the council have a dedicated Health and Safety software management system?
If yes, who is the provider and when does the current licence expire?
If no, how does the council manage its Risk Assements, Accident and Incident reporting and safety audits etc?
What budgets does the council have for the management of its Health and Safety systems and procedures?
Roughly how much money has the Council had to pay out in Health and Safety related claims during the last 2 financial years?

Please find attached the information we hold within the scope of your request.

The GLA is London's strategic government and does not operate in the same way as local councils. If you need more information about the role and work of the GLA, please go to our website: www.london.gov.uk.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA050319-7119.

Yours sincerely

Ruth Phillips
Information Governance Officer
