Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 18 November 2018. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

*Could you let me know how many apprenticeships have been funded by the GLA or functional bodies over the last five years?
Could you also provide data on success rates, drop out rates, BAME, gender etc?*

You clarified on 23 November:

*For success rate, please read completion.
With BAME, gender etc, could I please have those who start and how many complete, over the last five years, broken down by characteristic.*

The GLA does not hold information about the number of apprenticeships funded by the functional bodies, but you can make direct requests to these organisations. Their details can be found at <https://www.london.gov.uk/about-us/organisations-we-work>.

Please find the information we hold within the scope of your request below:

Total apprentices funded by the GLA:

Year	
2018	26
2017	14
2016	21
2015	19
2014	16
Total	96

Completion rate:

64 apprentices have completed their apprenticeship, 4 have left the GLA, or were promoted to other roles without completing their apprenticeship and 28 are still studying.

Of the 68 apprentices who have completed their apprenticeships, have left the GLA, or were promoted, these can be broken down by:

Gender: 36 Female, 32 Male

Ethnicity: 33 White, 32 BAME (Black, Asian, Dual, Other), 3 prefer not to say

Of the total of 96 apprentices:

Gender: 52 Female, 44 Male

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA191118-8403.

Yours sincerely

Senior Project Officer/Human Resources & Organisational Development.
