Dear [REDACTED]

Thank you for your request for information which the GLA received on 11 October 2019. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

*"Could you please complete the attached template with all the required information.*

*This request is made under the Freedom of Information Act and I'd be grateful of a response within 20 working days.*

*For clarity if any of the systems operate under a shared services arrangement, then please provide your own portion of the costs.*

*And the abbreviations relate to :*

*LLPG/GMS System = Local Land and Property Gazetteer / Gazetteer Management System*

*BLPUs - Basic Land and Property Unit - normally captured with LLPG data*

*SNN System - Street Naming and Numbering System*

*TRO - Traffic Regulation Orders - normally unitary, boroughs, and metropolitan councils, not districts."*

Your request appears to be intended for local councils so I should clarify that the GLA is London's strategic government and does not operate in the same way as local councils (in London these are the Boroughs, City of London and City of Westminster - map at <https://www.london.gov.uk/in-my-area>).

However, we do hold a small amount of information in relation to GIS. Please find attached the information we hold within the scope of your request.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA111019-4638.

Yours sincerely

  
**Information Governance Officer**

If you are unhappy with the way the GLA has handled your request, you may complain using the GLA's FOI complaints and internal review procedure, available at:

If you are a company that intends to use the names / contact details of any officers provided in this response for direct marketing, you need to be registered with the Information Commissioner to process personal data for this purpose. You must also check that the individual (whom you wish to contact for direct marketing purposes) is not registered with one of the Preference Services to prevent Direct Marketing. If they are you must adhere to this preference. You must also ensure you comply with the Privacy Electronic and Communications Regulations (PECR). For more information follow this link [www.ico.org.uk](http://www.ico.org.uk). For the avoidance of doubt the provision of officer names / contact details under FOI does not give consent to receive direct marketing via any media and expressly does not constitute a 'soft opt-in' under PECR
