

Thank you for your request for information which the Greater London Authority (GLA) received on 14 June 2019 in which you asked the GLA to release information about expense claims related to taxi journeys.

You requested:

*According to the FOI act 2000, I am requesting the following information about cab hire by the Mayor and his deputy mayors.*

*Can I please request the following information:*

- A list of cab/taxi journeys expensed by the Mayor and deputy mayors*
- Please could this include the cost, time and cab company*
- Please could the data be from when Sadiq Khan started as mayor until the present day*

I can confirm that the GLA does hold information in scope of your request.

We publish the Mayor's and Deputy Mayors' expenses, which show taxi claims and amounts for the period you are interested in. Their expenses can be found on their profile pages at

<https://www.london.gov.uk/people/mayoral>

Members' expenses and senior officers' expenses are examined at Audit Panel meetings - the Panel's agendas and minutes can be found at

<https://www.london.gov.uk/about-us/london-assembly/london-assembly-committees/audit-panel>

You may be interested in some similar information that we have previously released on this subject on the GLA's disclosure log:

From our preliminary assessment, it is clear that we will not be able to answer your request in full without further clarification and we need further information in order to identify and locate the specific information you have asked for. Please could you explain what information you want when you ask about "time"? It is not clear whether you are asking about the time of day or the duration of the journey.

In order to locate the cab company details, where available, we would need to carry out further searches.

Once you have clarified your request, I will be able to begin to process your request. Under section 1(3) of the Freedom of Information Act, a public authority need not comply with a request unless any further information reasonably required to locate the information is supplied.
