

The band D equivalent council taxbases for the 33 London billing authorities are attached for 2018-19. These total 2,947,528.61 properties - essentially the number of residential properties converted using the relevant ratios to produce a Band D average..

Therefore a 1p product on the council tax would raise approximately £29,475 next year.

#### **Band D Council Taxbase**

City of London 7,210.97  
Camden 89,000.00
