Dear ████████████

Thank you for your request for information which the GLA received on 16 May 2019. Your request has been dealt with under the Freedom of Information Act 2000.

You asked for;

> *Could you send me (or publish) the raw day-by-day data as an Excel or CSV file please? This would make it easier for me to conduct my own analysis.*
>
> *Could you also confirm whether you will continue to publish the day-by-day figures on an ongoing basis? (Preferably monthly).*

Our response to your request is as follows:

Thank you for your email. Please see attached the data you requested in Excel format.

In May 2019 we published the "Central London Ultra Low Emission Zone – First Month Report" (https://www.london.gov.uk/WHAT-WE-DO/environment/environment-publications/central-london-ultra-low-emission-zone-first-month-report). We will publish more in-depth evaluation later this year once the scheme has had more time in operation.

We are considering how to report this data on an ongoing basis, it is likely to be quarterly in a similar fashion to Congestion Charge reporting. At present we report "Camera Captures and Confirmed Vehicles seen in the Congestion Charge Zone by Month" on the London Datastore (https://data.london.gov.uk/dataset/vehicles-entering-c-charge-zone-month). TfL also publish "Congestion Charge and Low Emissions Zone factsheets" (https://tfl.gov.uk/corporate/publications-and-reports/congestion-charge).

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely

███████████
