Dear ██████████

**FOI Request - Havering- Greater London Funding**

Thank you for your request for information dated 18 October 2017 seeking information on how much council tax is received by the GLA compared to how it is applied locally. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

*Under the freedom of information act, I would like to know how much in council Tax received are received Vs what is used locally?*

The attached analysis sets out the income the GLA is forecast to receive in 2017-18 from each of the 32 London boroughs and the Corporation of London through the Mayor's council tax precept. It is not possible unfortunately to provide a detailed analysis of GLA or GLA group expenditure by London borough as neither the GLA nor its functional bodies organise their service delivery on a borough basis. The GLA seeks to serve and support all Londoners equally on the basis of need and does not apply different policies depending on which borough they live in.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA191017-1129.

Yours sincerely

**Ruth Phillips**

Information Governance Officer

If you are unhappy with the way the GLA has handled your request, you may complain using the GLA's FOI complaints and internal review procedure, available at:
