Hi [REDACTED]
I picked up your VM on Friday.
Future intentions in respect of existing education sites in Richmond sit with LBRuT and we are not party to decisions in respect of those sites. As such I think you may be best raising this with Richmond direct.
In responding, I can also advise that the draft S106 has now been sent to Richmond and I have no doubt they will be providing you with the referral pack shortly.

Hi [REDACTED]

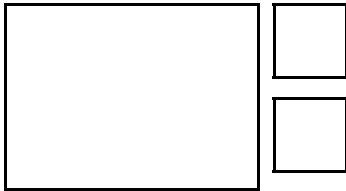

Yes it is the former Clarendon School site and as suspected it is owned by LBRuT.

We have made enquiries of the Boroughs Education team and they are advising LBRuT Property colleagues have commissioned a feasibility into relocating/rebuilding a junior school (the linked school of the Carlisle Infant school adjacent to the site) on the former Clarendon School site.

Hi [REDACTED]

Have you heard anything from DFE re the SEN site? I take it the school currently occupies one of the buildings on the Clarendon school site. It's quite difficult to make out.

Thanks,
