Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 20 August 2021. Your request has been dealt with under the Freedom of Information Act 2000.

You originally asked for:

Regarding the funding allocated for delivery of council homes in London as set out here - <https://www.london.gov.uk/what-we-do/housing-and-land/increasing-housing-supply/building-council-homes-londoners>, would you please provide a list of the projects that the funding has been allocated for - for each of the 27 boroughs listed.

Following receipt of our original response, you confirmed that:

We are looking for information on the particular schemes in each borough the money has been used for. The excel sheet provides information on the sums of money for each borough but not the specific projects / estates where the allocation has been spent.

Our response to your request is as follows:

Please find attached the information you are seeking. If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely

Information Governance Officer

If you are unhappy with the way the GLA has handled your request, you may complain using the GLA's FOI complaints and internal review procedure, available at: [Freedom of information | London City Hall](#)
