Thank you for your further letter of 13 April on behalf of your constituent ██████████ about toilet facilities on the Elizabeth line.

Please find attached a breakdown of Elizabeth line stations identifying those that will have facilities and the proximity of the nearest accessible alternative toilets at stations that do not have facilities.

I continue to be committed to improving the accessibility of the network. I am delighted that when the Elizabeth line fully opens it will bring step-free access to the West End for the first time. Regarding your constituent's question regarding further improvements to toilet facilities, I note that the Elizabeth line is being delivered to an agreed specification within a tight programme. At this moment the focus is on delivering the agreed scope and there are no plans to change the current designs or station specification.

Thank you again for taking the time to write to me.

Yours sincerely,

Sadiq Khan
Mayor of London
