Thanks – yes I was aware of the review . I am afraid that for a variety of reasons with which I will not trouble you I will not be speaking to Messrs Moore Stephens.

**Subject:** Interview with Moore Stephens

Dear David

You will be aware that the Mayor of London has commissioned an independent team to carry out a review of past decisions relating to the London Stadium (formerly known as the Olympic Stadium). The Mayor would very much welcome your expert input into this review and which I would like to emphasise is about wanting to understand your perspective of decisions rather than to be critical of your role.

By sharing your knowledge, you will help Moore Stephens – the team that has been appointed to lead the review – better understand the decisions that were taken; and that will in turn allow for a richer report that will better inform future decisions to put the Stadium on a sound financial footing and ensure it continues to be a valuable part of the Olympic legacy for London and Londoners.

You can find the terms of reference for the review and more about its background here:  
[https://www.london.gov.uk/sites/default/files/dd2097\\_stadium\\_investigation\\_signed.pdf](https://www.london.gov.uk/sites/default/files/dd2097_stadium_investigation_signed.pdf).

Moore Stephens would need up to 60 minutes of your time for an interview over the phone or by video conference.

If you are willing and able to be interviewed, please let me know and I will pass on your email address (or other contact details of your choice) to Moore Stephens. A member of the review team there will then get in touch to arrange a suitable time.

Martin
