

GREATER LONDON AUTHORITY

By email

Our Ref: MGLA020119-2115

6 March 2019

Dear

Thank you for your refined request for information which the GLA received on 2 January 2019. Your request has been dealt with under the Freedom of Information Act 2000. I am sorry for the late response.

You had originally requested:

1) copies of all GLA/ Mayor of London posters used on the TFL Tube network from 2008 to the current day.

2) a breakdown by year of the costs of both producing the posters, and the cost of displaying them. If there was no cost to the GLA due to TLF granting them free space. Please provide the market cost for this space.

This request was refused and on 2 January based on the fact it exceeded permitted staff hours to collate so you requested:

Would it be possible to have the information for 2015, 2016 and 2017?

Please find attached and below the information we hold within the scope of your request for 2015, 2016 & 2017 relating to GLA/ Mayor of London posters on the LU network where the artwork was produced by the GLA (as per our earlier email).

1) Copies of tube poster artwork produced by the GLA between 2015 and 2017 are attached.

2) Production cost for these posters are as follows:

- 2015: £20,118
- 2016: £12,219
- 2017: £11,978

Please note that the majority of poster artwork was produced by GLA staff at no additional cost. On some occasions artwork was produced by external suppliers however it is not possible to break down the individual design cost of these tube posters.

There is no cost to the GLA for displaying posters on the TfL tube network. We are not able provide the market cost for space as it is non-commercial TfL space.

On a small number of occasions, the GLA have accessed 'filler space' on the London Underground network, this is unsold advertising space. These spaces have a commercial value, however as commercial advertisers have not been prevented from accessing it in favour of the GLA, there has been no loss to revenue. Between 2015 and 2017 the GLA was allocated filler space with a commercial value of £473,394. This space was used for campaigns to inform and engage Londoners about the work of the Mayor and City Hall.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA020119-2115.

Yours sincerely

Ruth Phillips
Information Governance Officer

If you are unhappy with the way the GLA has handled your request, you may complain using the GLA's FOI complaints and internal review procedure, available at:

<https://www.london.gov.uk/about-us/governance-and-spending/sharing-our-information/freedom-information>

Information provided in response to an information access request does not automatically entitle you to re-use that information. Most of the information that we provide in response to Freedom of Information Act 2000 or Environmental Information Regulations 2004 requests will be subject to copyright protection.

In most cases the copyright will be owned by the GLA but some information may be owned by another person or organisation, as indicated on the information itself.

You are free to use any information supplied for your own non-commercial research or private study purposes. The information may also be used for any other purpose allowed by a limitation or exception in copyright law, such as news reporting. However, any other type of re-use will require the permission of the copyright owner.

For information where the copyright is owned by the GLA, you can apply to re-use information by submitting a written request to the address above, including your name and address, details of what information you wish to re-use and the purpose for which the information is to be re-used.

Your request will be dealt with under the terms of the Re-use of Public Sector Information Regulations 2005.

In some cases, re-use will only be permitted under a certain set of conditions. Where this is the case, the GLA will inform you of these conditions and whether there is a charge involved.

The Mayor has introduced a £10 T-Charge for older more polluting vehicles driving in central London. It's part of his bold plan to clean up London's toxic air. Find out what else he's doing at london.gov.uk/cleanair

#CleanAir

MAYOR OF LONDON

If you could see London's air, you'd want to clean it too.

The Mayor has introduced a £10 T-Charge for older more polluting vehicles driving in central London. It's part of his bold plan to clean up London's toxic air. Find out what else he's doing at london.gov.uk/cleanair
