Our Ref: MGLA060819-9449

3 September 2019

Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 6 August 2019. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

The fleet list of vehicles operated by Greater London Authority, to include:

- *Vehicle make and model*
- *Year of production/model year*
- *Vehicle type/purpose (e.g. community transport, rubbish disposal, etc.)*
- *Whether the vehicle is owned or leased*
- *Year of purchase/lease agreement*

The Greater London Authority does not operate a fleet of vehicles. The GLA is London's strategic government and does not operate in the same way as local councils, who are responsible for services such as community transport or rubbish disposal.

However, GLA Land and Property Ltd (GLAP) does have one vehicle which was inherited from the Homes and Communities Agency (HCA) when the HCA's functions in London transferred to the GLA following the Localism Act 2011.

Please find below the information we hold within the scope of your request for that vehicle:

Vehicle make and model

Land rover Defender 110 County

Year of production/model year

1996

Vehicle type/purpose (e.g. community transport, rubbish disposal, etc.).

Used by GLA Land and Property Ltd (GLAP) agents to visit and inspect sites across the Authority's portfolio

Whether the vehicle is owned or leased

Owned by GLA (inherited)

Year of purchase/lease agreement

Purchased 1997 by a different authority

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA060819-9449.

Yours sincerely
