14 December 2018

Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 19 November 2018. Your request has been dealt with under the Freedom of Information Act 2000.

You requested:

I would like to request information about the applications for protests and public gatherings in Trafalgar Square that have been accepted in the past 5 years. I would like to know the names of the various organisations and the purpose of their gatherings. If possible I would also like to be directed to where I can find this information for years further back (up to 20 years).

Please find attached the information that we hold within the scope of your request. We have complete records going back to 2010, so we have provided the past 8 years of information rather than the past 5 years requested.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA191118-8431.

Yours sincerely

Ruth Phillips
