

Dear [REDACTED]

Thank you for your enquiry.

Sharp Business Insights Ltd was a supporting partner to OPDC and West London Business for the collective West London and Old Oak and Park Royal engagement activities conducted with potential developers and investors at the MIPIM 2018 conference.

The partnership and relationship between Sharp Business Insights Ltd and OPDC was based on value-in-kind only through resources provided by Sharp Business Insights Ltd to carry out activities like the 'guest blog' on the OPDC website.

For other queries relating to tendering documents issued or contracts awarded, I would suggest that you make enquiries through West London Business.

I hope this helps with the enquiry you're making.

Kind regards,  
OPDC Team
