## Dear

I refer to your request for information on all sources of government and public funding provided to Peabody Housing Association and affiliated organisations since 2010. Gallions Housing Association joined the Peabody Group on 3rd January 2014. CBHA has been part of the Peabody Group since 1996.

The attached data has been extracted from the GLA's Investment Management System (IMS) and provides details of all schemes included in GLA programmes, delivered by Peabody, Gallions or CBHA since 1st April 2010 that have received GLA funding or other public subsidy. Where the information relates to a single address point, the address has been redacted.

GLA funding includes Affordable Housing Grant (AHG), Recycled Capital Grant Fund (RCGF) and Disposal Proceeds Fund (DPF).

Funding was provided to support the delivery of homes for low cost rent (RENT) and low cost home ownership (LCHO), including 45 purchase and repair schemes (RENT) in Bexley and Greenwich.

Schemes identified as MISC were purchased by the tenant under the Right to Acquire (RTA), GLA funding equates to the discount that was applied. RTA schemes do not contribute to the supply of affordable housing.

Providers may receive funding directly from local authorities. The attached data sheet indicates where other public subsidy has been provided to support schemes that were included in GLA Programmes. Schemes which have received funding in the form of retained Right to Buy receipts directly from Local Authorities, are no longer included in GLA programmes. Information on these schemes should be obtained directly from the Local Authorities concerned.

Yours Sincerely

## Area Manager

## Dear team,

I am writing to find out if any government or public funding was provided to Peabody Housing Association or affiliated between 2010 and present?

If so, please detail what the purpose of each item of funding was?

Many thanks,
