

REQUEST

Could you please provide the following information:

Have the expensive water cannon been sold?

<https://www.london.gov.uk/press-releases/mayoral/proceeds-to-help-tackle-youth-knife-crime>

If they have been sold, to whom were they sold and for how much.

If they had not been sold, what has been the total cost including ongoing maintenance and servicing to date. That is, some numbers need to be added to the release above.

What is the depreciation amount already written off.

If you also have costs on how much the search for a buyer has so far cost then please also provide.
