Dear [REDACTED]

We recently responded to your request for information which the GLA received on 3rd August 2019, which was dealt with under with the Freedom of Information Act 2000. We provided details of the affordable housing tenures Newlon will deliver after it became a Strategic Partner in July 2019, and the grant allocation linked to the delivery of these homes by March 2022.

Regrettably there was an error in the table regarding the level of funding allocated to the Shared Ownership / London Living Rent and London Affordable Rent homes being delivered by Newlon. This was due to two figures being incorrectly transposed from the source table.

The corrected table is below:

Tenure	Number of units	Funding set out in previous response (incorrect)	Correct level of funding	Difference
Shared Ownership / London Living Rent	710	£13,952,000	£14,942,000	+£990,000
London Affordable Rent	398	£13,240,000	£12,250,000	-£990,000
Other	7	£770,000	£770,000	£0
Totals	1,115	£27,962,000	£27,962,000	£0

In your response dated 4th September, you asked for a more detailed explanation of the grant rates across Newlon's programme. Some of the schemes being delivered by Newlon do not require any direct funding from the GLA. In exceptional circumstances, such as to deliver supported housing, the GLA will provide funding above the set grant rates. This is the case for the seven homes in the 'Other' row.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely

Information Governance Officer
