Dear [REDACTED]

Thank you for your request for information which the GLA received on 19 November 2018. Your request has been dealt with under the Freedom of Information Act 2000.

Our response to your request is as follows:

Please provide me with the following Lettings information, for all properties let under the Housing moves scheme, from 1st April 2017 to 01/11/2018.

- *Date of Advert & Date Property Let*
- *Size of Property*
- *Landlord of Property*
- *Location of property- (non specific) Street/ Road Post Code*
- *Number of Bids*
- *Rent per week or PCM*

Lettings information.

- *Priority Band & Priority Points & Application or Priority Date of the winning Bidder*

Please find attached the information we have identified as within scope of your request.

Please note:

- We cannot report on tenancy start dates as we do not ask for this information.
- Paradigm properties are when a landlord includes more than one vacancy in one advert. These are used for identical new build homes.
- Some properties have no rent included as it was not known at the point that the advert was placed. This can be for new build properties or when the property will be available after an annual rent review.
- Full postcode information has been removed because of the potential to identify specific properties / individuals.

If you have any further questions relating to this matter, please contact me, quoting the reference at the top of this letter.

Yours sincerely

Paul Robinson
Information Governance Officer
