Title: Publication of Sports Strategy, entitled 'Sport for All of Us' and the draft Integrated Impact Assessment for consultation

Executive Summary:

The Mayor generally, and on receipt of proposed revisions from the Mayor's Cultural Leadership Board ("MCLB"), has a statutory duty to prepare and consult on his Culture Strategy, which includes sport. A key part of preparing, consulting and reviewing the Culture Strategy is to undertake an Integrated Impact Assessment to help policy makers think through the possible impacts on public health, community safety and on those persons with characteristics protected by equality legislation (Equality Act 2010). This Mayoral Decision (MD) seeks approval to publish the sports section (called "Sport for All of Us") of the Mayor's draft Culture Strategy for public consultation. The associated Integrated Impact Assessment will also be published.

Decision:

That the Mayor approves:

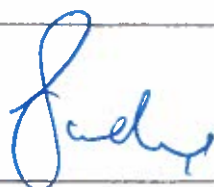

- publication of "Sport for All of Us", and the associated Integrated Impact Assessment, for a three-month consultation period.
- expenditure of £30,000 from the 2018/19 sport strategy budget for the delivery of consultation activities and research for the final publication of the Sport for All of Us in 2018.

Mayor of London

I confirm that I do not have any disclosable pecuniary interests in the proposed decision, and take the decision in compliance with the Code of Conduct for elected Members of the Authority.

PART I - NON-CONFIDENTIAL FACTS AND ADVICE TO THE MAYOR

Decision required – supporting report

1. Introduction and background

- 1.1. Pursuant to the Greater London Authority Act 1999 (“the GLA Act 1999”), the Culture Strategy Group for London (known as the Mayor’s Cultural Leadership Board (“MCLB”)) is required to keep the sport strategy under review and may submit proposed revisions of it to the Mayor, following a consultation with designated competent bodies.
- 1.2. The Mayor has received proposed revisions on the sport section of the Culture Strategy and this was endorsed by the MCLB meeting on the 3 July, and further to the Mayor’s amendments, this Mayoral Decision seeks his approval to publish for public consultation a document entitled “Sport for All of Us” which forms part of the Mayor’s Culture Strategy. It also records his noting of the Integrated Impact Assessment for public consultation. Consultation will take place between 30 July and 26 October 2018.
- 1.3. An earlier MD (MD2129) for the Culture Strategy provided approval for expenditure of £121,000 to support research, development, consultation and delivery of the strategy. A small part of this expenditure (£17,000) was used for an integrated impact assessment for Culture and Sport. Another MD (MD2244) for the Community Sport Investment Programme – ‘Sport Unites’ provided approval for expenditure of £5.8M for a new community sport programme that will be informed by the final strategy.
- 1.4. The GLA Act 1999 outlines a single strategy covering policies related to culture, media and sport (section 376 (1)). Over the past 10 years, and in particular since the London 2012 Olympic and Paralympic Games, the culture section and sports section of the strategy have been developed and published separately from each other. Together, these elements constitute the statutory strategy. This Mayoral Decision refers solely to the proposed policies in relation to sport and to the document Sport for All of Us.
- 1.5. Further, non-substantive changes to the design and appearance of the draft document Sport for All of Us will be made between this form being signed and the document being published. Such changes will be approved by the Deputy Mayor for Deputy Mayor for Social Integration, Social Mobility and Community Engagement

2. Objectives and expected outcomes

2.1 Sport for All of Us sets out the Mayor's vision for sport in the capital, and how that can be realised. At the heart of the strategy's approach is the belief in the power of sport to bring people together and to improve their lives.

2.2 The Culture Strategy is being developed alongside the following strategies:

- London Environment Strategy
- London Plan
- Mayor's Transport Strategy
- Housing Strategy
- Economic Development Strategy
- Health Inequalities Strategy
- Diversity and Inclusion Vision
- Social Integration Strategy

2.3 As part of the preparation of Sport for All of Us, an Impact Assessment has been undertaken to review sport policy options and assess the impact of proposed policies. The Integrated Impact Assessment (IIA) combines these assessments and enables all of the Mayoral strategies to work from the same baseline information. The IIA incorporates a community safety impact assessment (CSIA), equality impact assessment (EqIA) and health inequality impact assessment (HIA) and due regard to sustainable development. The IIA report will be published alongside Sport for All of Us for consultation.

3. Equality comments

3.1. In preparing and publishing his strategies the Mayor must comply with the public sector equality duty under section 149 of the Equality Act 2010, which requires the Mayor to have 'due regard' to the need to (i) eliminate unlawful discrimination, harassment and victimisation; (ii) advance equality of opportunity between people who share a relevant protected characteristic and those who do not; and (iii) foster good relations between people who share a relevant protected characteristic and those who do not.

3.2. Protected characteristics under section 149 of the Equality Act are age, disability, gender re-assignment, pregnancy and maternity, race, religion or belief, sex, sexual orientation, and marriage or civil partnership status (all except the last being 'relevant' protected characteristics). The duty may involve, in particular, removing or minimising any disadvantage suffered by those who have a relevant protected characteristic, taking steps to meet the needs of such people, and encouraging them to participate in public life or in any other activity where their participation is disproportionately low, including tackling prejudice and promoting understanding. Compliance with the Act may involve treating people with a protected characteristic more favourably than those without the characteristic.

3.3. The IIA, which assesses the likely equalities impact of Sport for All of Us, will be reviewed as appropriate in the light of the responses to the consultation before the final draft strategy is submitted for approval following consultation.

4. Other considerations

4.1 A risk is that Sport for All of Us does not yet address, in detail, the specific needs of sports organisations in London. Nor does it try to state conclusively what the needs are of Londoners in accessing sport in specific locations. Our aim is not to seek to answer those questions at this point. We

intend to address those issues through our consultation on the draft strategy, which will help identify the points that need clarification, ahead of final publication.

4.2 Links to other Mayoral strategies set out in section 2 above.

6. Legal comments

- 6.1 The Mayor has a duty under section 376 (2) of the Greater London Authority Act 1999 ("the GLA Act") to prepare and publish a document to be known as the Culture Strategy. Paragraph 1.4 explains that the Mayor is preparing and intends to publish a culture strategy, and that it will be in two sections – the culture section and the sports section (which is the subject of this Mayoral Decision)
- 6.2 Under section 376 (4) the Cultural Strategy Group for London (known as the Mayor's Cultural Leadership Board ("MCLB")) shall keep the Culture Strategy under review and may submit proposed revisions of it to the Mayor. Under section 376 (4A) the MCLB must consult with designated consultative bodies (set out under section 376 (10)).
- 6.3 The Mayor also has a general duty under section 41 (2) of the GLA Act to keep his strategies under review and shall make such revisions as he considers necessary. Section 41 sets out various requirements with which the Mayor has to comply in preparing the strategy. The Mayor must have regard to "(a) the principal purposes of the Authority; (b) the effect which the proposed strategy or revision would have on ... (i) the health of persons in Greater London; (ia) health inequalities between persons living in Greater London; (ii) the achievement of sustainable development in the United Kingdom; (iii) climate change, and the consequences of climate change". The Mayor must also have regard to: "(a) the need to ensure that the strategy is consistent with national policies , with the EU obligations of the United Kingdom and with such other international obligations of the United Kingdom as the Secretary of State may notify to the Mayor for the purposes of this paragraph; (b) the need to ensure that the strategy is consistent with [other Mayoral strategies]; (c) the resources available for implementation of the strategy; and (d) the desirability of promoting and encouraging the use of the River Thames safely, in particular for the provision of passenger transport services and for the transportation of freight." Paragraph 4 sets out how the Mayor has had regard to these legal duties in his Sport for All of Us document.
- 6.5 Under section 42 of the GLA Act, the Mayor is required to consult the London Assembly, the functional bodies of the GLA (such as Transport for London and Mayoral Development Corporations), each London borough and the City of London, and any other body or person whom he considers it appropriate to consult.

Assessment includes consideration of the effects of the strategy on people with protected characteristics.

- 6.7 The content of Sport for All of Us, and the publication of it and the interim Integrated Impact Assessment for a three-month consultation period, as proposed in this decision, indicate that the matters referred to above have been substantially taken into account.
- 6.8. Under section 42B of the GLA Act, the Mayor must lay a copy of the (final) draft strategy before the Assembly before publishing it in final form. If, within 21 days of the laying of the copy, the Assembly by a motion agreed to by at least a two-thirds majority of those voting rejects that draft strategy, the Mayor must not publish it; otherwise he may.
