Dear

Thank you for your request for information about the Greater London Authority's functions and workforce, which the GLA received on 17 April 2018. Your request has been dealt with under the Freedom of Information Act 2000.

Please find attached the information we hold within the scope of your request and our responses to your questions.

In relation to Question 6, I should clarify that the GLA does use SAP but for Finance purposes only.

We have made some redactions to withhold the names and email addresses of all but the most senior staff from the disclosed information as they constitute third-party personal data which is exempt from release under the provision of section 40(2) of the Fol Act. This provides that personal data (as defined under the Data Protection Act 1998) can be withheld from disclosure in to the public domain where that disclosure would be contrary to one of the Data Protection Principles under that Act. In this case, disclosure would be in breach of the first principle and constitute unfair processing of that data.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA170418-9756.

Yours sincerely

Ruth Phillips
Information Governance Officer
