Dear [REDACTED]

Thank you for your request for information which the Greater London Authority (GLA) received on 17 December 2018. Your request is being handled under the Freedom of Information Act 2000.

You requested:

I'd like to FOI the total cost on average of a member of staff at the GLA and the number of staff at the GLA who are currently paid for by outside bodies.

The total cost on average of a member of staff at the GLA

£58,000

The number of staff at the GLA who are currently paid for by outside bodies.

From our preliminary assessment, it is clear that we will not be able to answer your request without further clarification in order to identify and locate the specific information you have asked for.

It is not entirely clear what information you are interested in when you ask for *the number of staff at the GLA who are currently paid for by outside bodies*.

‘Staff at the GLA’ might refer to all GLA employees and the difference between directly paid permanent staff and temporary staff, contractors, consultants etc. Or your question might refer to any posts sponsored by an outside body if such an arrangement exists.

Please could you describe the information you would like to receive? Once you have clarified your request, I will be able to begin to process your request. Under section 1(3) of the Freedom of Information Act, a public authority need not comply with a request unless any further information reasonably required to locate the information is supplied.

If you have any further questions relating to this matter, please contact me, quoting the reference MGLA181218-0935

Yours sincerely

Ruth Phillips
Information Governance Officer
