Just tried to call you on this one.

I think we've misunderstood one another.

I thought we agreed that we'd use the MD I submitted for the Garden Bridge in its current format as it already has an Equality Impact section, but that going forward we would use the new template.

I've sent the new template to all the TfL people today as a reminder that the May 2014 one is the one to use going forward.

Please give me a shout

Thanks

As discussed we're in the process of responding to the Assembly with the appendix. Presumably no harm in putting the appendix on the website as well though.

Hi ■

I noticed that the following MD was signed and made available on Friday - <http://www.london.gov.uk/mayor-assembly/mayor/mayoral-decisions/MD1355> . Would it be possible to get a copy of the Appendix B: Summary of Business Case, which is mentioned in the decision paper but not included online and not labelled as being exempt? (The Budget and Performance Committee is due to discuss the Garden Bridge with TfL at its meeting on Thursday.)

If there is someone else to whom it would be more appropriate to direct this request, then I would be grateful if you could let me know, or forward it on to them.

Many thanks,
